A Little Light

Coal is often productive of considerable heat—when it will do the most good. Telling you that our coal is better than other coal does not make it so, but our willingness to warrant its lasting longer and giving more heat than coal for which you pay the same money elsewhere ought to have some weight with the man who does his own thinking.

Died.

During the storm Wednesday evening Mrs. Grant Smith, who lives just across the river from Rulo, while standing at the window was struck by lightning and instantly killed. She was well known in Rulo, having relatives there. Death is a sad affair at best but when it comes in such an unexpected manner it is doubly so.

Mrs. Clark died suddenly, Monday morning at the residence of her son in Rulo. She was apparently in good health the evening before and retired as usual. Her son awoke at 4 o'clock in the morning and went to his work in the elevator and his mother spoke to him at that time. He returned about 6 o'clock for breakfast and trying to arouse Mrs. Clark found that she was lifeless. Heart failure is supposed to have caused her death. The funeral occurred Tuesday afternoon at the South Methodist church. The deceased has resided in and near Rulo many years and is mourned by numbers of relatives and friends.

On Saturday, March 18th, 1905, at 9 o'clock p.m. Mr. W. C. Palmer passed away from this earth, at home of his daughter Mrs. F. W. Michel. His death was due to paralysis and was very sudden. The deceased had arrived at the age of seventy one year and had formed many pleasant acquaintances. Mr. Palmer was an honored member of the Peateom Lodge, No. 59 of A. O. U. W. in St. Louis and his burial was in charge of this order. Funeral services were conducted by Rev. Griffin at the Michel residence in this city on Tuesday, March 21, 1905. Their many friends extend sincere condolence to the grief stricken family.

Elvira J. Shafer was born at Highland Kansas, January 15, 1864, died at Verdon March 16, 1905. She was united in marriage to L. S. Lucas May 22, 1884. To this union was born nine children eight of whom are still living. Mrs. Lucas was in ill health for three years and all this time was very patient but at last death relieved her of her sufferings. She was a beneficiary member the Degree of Honor. Funeral services were held from the home northeast of Verdon, conducted by Rev. Bohn after referring to the beautiful and consistent Christian life of the departed spoke of the blessed hope of our Lords coming as the source of comfort and joy in the hour of afflictions. A beautiful floral tribute was arranged by the members of the D. of H. We extend sympathy to the heart broken husband and children.

Sunday evening Mrs. Sam Martz had the misfortune to slip on a wet side walk sustaining a severely sprained ankle. Dr. Fleming attended the patient.

Rev. Selinger will deliver his farewell sermon next Sunday at the Baptist Church. Text will be Acts 26, 26. Everyone cordially invited.

Thursday morning Mrs. W. Korner fell down the rear stairs at the family residence severely spraining her arm and ankle.

W. A. and J. A. Hossack left Monday for Omaha where they are in the employ of John Towle.
