CHANGE IN BANK.
The directors of the Humboldt National bank last week selected their officers for the coming year, the only change in the staff being the selection of John Holman as president in place of J. H. Morehead.—Humboldt Leader.

NOT PROBABLY, BUT CERTAINLY.
The municipal campaign at Falls City is characterized by a three ring fight. The temperance people have nominated Sam Lichty for mayor, the citizens caucus chose W. S. Leyda while the republicans selected W. E. Dorrington. The odds are probably in favor of Dorrington.—Humboldt Enterprise.

A canning factory at Barada is now an assured fact. A stock company composed mostly of farmers in that vicinity, bought the canning plant which has been at Falls City the past two or three years. The price was about \$2,500 and it is estimated that about \$1,500 more will be required to put it in running order at Barada.—Stella Press.

Scrip Dundy, formerly of Falls City is half owner in the Hippodrome, lately erected in New York by Thompson & Dundy, at the cost of a million and a quarter. The hippodrome will seat over five thousand people. Scrip Dundy is the son of the late E. S. Dundy, United States district judge for Nebraska. The young man took an interest in the show business years ago, and had midway features at Buffalo and Omaha. He seems to have genius in that direction, and he and Thompson inaugurated Luna park near New York, which was an immense success. The park was named for Dundy's sister Luna.—Hiawatha World.

If one kills himself he is called a suicide, if he kills a brother he is called a fratricide, if he kills some one who is no kin he is called a homicide, but if he kills his town by sending away to buy things he ought to buy at home he becomes an urbicide and is of no more use to a town than a fish warm.—Hiawatha World.
