

MISS BULL RECOVERS

FEARFUL DECLINE OF STRENGTH COMPLETELY ARRESTED.

Medical Skill Had Almost Exhausted Itself in Vain Attempts to Relieve Her—A Remarkable Result.

The recovery of Miss Gertrude L. Bull is of great interest to the medical world. A very bad cough followed a severe attack of pneumonia. It seemed impossible to break it up or to restore her strength, which had been sadly undermined. In spite of the best efforts of the doctors and the use of several advertised modes of treatment her condition daily grew more serious. She finally discontinued all medicine and gave herself up to despair.

"What was your condition at this time?" she was asked.

"My stomach was so weak I could not keep food down. I suffered from constant nausea. My kidneys were in terrible condition. My feet and ankles were swollen so badly that it pained me even to stand on them. I was very bilious. My heart was in bad shape so I could not go up and down stairs or stand any exertion or sleep in a natural position."

"It seems a wonder that you should ever have recovered. How did it happen?"

"You may well call it a marvel, but Dr. Williams' Pink Pills wrought it. None of my friends thought I could live many months longer. My parents had no hope. Just then a pamphlet advertising Dr. Williams' Pink Pills for Pale People was thrown in our door. It was a great event for me. These pills saved me from the grave. Within a week from the time I began to take them I felt better, and in three months I was entirely well. I cannot praise Dr. Williams' Pink Pills too highly and I dearly hope that my experience may bring good to some other sufferers."

Miss Bull, who was so remarkably cured, resides at Union Grove, Illinois. Dr. Williams' Pink Pills act immediately on the blood, purifying and enriching it. In all debilitating diseases, such as lung troubles, grip, fevers, and in all cases in which the system is thoroughly run down, these pills perform wonders. They are sold by all druggists throughout the world. A valuable booklet on diseases of the blood, will be sent free to any one who applies for it to Dr. Williams Medicine Co., Schenectady, N. Y.

RESTORED HIS HAIR

Scalp Humor Cured by Cuticura Soap and Ointment—After All Else Had Failed.

"I was troubled with a severe scalp humor and loss of hair that gave me a great deal of annoyance and inconvenience. After unsuccessful efforts with many remedies and so-called hair tonics, a friend induced me to try Cuticura Soap and Ointment. The humor was cured in a short time, my hair was restored as healthy as ever, and I can gladly say I have since been entirely free from any further annoyance. I shall always use Cuticura Soap, and I keep the Ointment on hand to use as a dressing for the hair and scalp. (Signed) Fred'k Busche, 213 East 57th St., New York City."

SEVERE KIDNEY AND BLADDER TROUBLE.

HALF OUR ILLS ARE CATARRH.

Thousands of People Have Kidney Trouble and Don't Know It Is Catarrh.

Mr. David L. Jaycox, Chaplain Clarinda, I. O. G. T., and Chaplain G. A. R., 865 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble. I spent hundreds of dollars and consulted a host of doctors, but neither did me any good."

"Peruna has proven the best medicine I ever used. My pains are gone and I believe myself to be cured. I feel well and would not be without a bottle in time of need for ten times its cost."

Hundreds of war veterans have kidney and bladder trouble.

Impure drinking water, sleeping on the ground, and all manner of exposures to wet and cold weather produced catarrh of the kidneys and bladder.

They have doctored with every conceivable drug, have consulted all schools of medicine.

It was not until Peruna came into use, however, that these old soldiers found a remedy that would actually cure them.

More cases of catarrh of kidneys and bladder have been cured by Peruna than all other medicines combined.
