

OPERATION AVOIDED

EXPERIENCE OF MISS MERKLEY

She Was Told That an Operation Was Inevitable. How She Escaped It

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, the very thought of the knife and the operating table strikes terror to her heart, and our hospitals are full of women coming for ovarian or womb operations.

Miss Margaret Merkley

There are cases where an operation is the only resource, but when one considers the great number of cases of ovarian and womb trouble cured by Lydia E. Pinkham's Vegetable Compound after physicians have advised operations, no woman should submit to one without first trying the Vegetable Compound and writing Mrs. Pinkham, Lynn, Mass., for advice, which is free.

Miss Margaret Merkley of 275 Third Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—
"Loss of strength, extreme nervousness shooting pains through the pelvic organs, bearing down pains and cramps compelled me to seek medical advice. The doctor, after making an examination, said I had ovarian trouble and ulceration and advised an operation. To this I strongly objected and decided to try Lydia E. Pinkham's Vegetable Compound. The ulceration quickly healed, all the bad symptoms disappeared and I am once more strong, vigorous and well."

Ovarian and womb troubles are steadily on the increase among women. If the monthly periods are very painful, or too frequent and excessive—if you have pain or swelling low down in the left side, bearing down pains, leucorrhœa, don't neglect yourself: try Lydia E. Pinkham's Vegetable Compound.
