Kansas City spirit is the spirit of hard and continuous work that never lets up.

A MATTER OF CHOICE

Really as a matter of choice we would rather have

Ten persons deposit \$1 each than one person \$10; or
Ten persons deposit \$10 each than one person \$100; or
Ten persons deposit \$100 each than one person \$1,000; or
Ten persons deposit \$1,000 each than one person \$10,000

To be sure these smaller accounts would mean a great deal more work, yet we prefer them. Don't feel at all timid about bringing in small deposits.
