Easter Sunday.

Sunday was sufficiently pleasant for my lady to don her spring finery and take her more or less willing husband to church. Special services were had in all the churches and large crowds attended both morning and evening services.

The several churches were beautifully decorated with flowers, lilies predominating.

At the Methodist church Rev. Cline preached an appropriate sermon; special music was rendered by the choir and Miss Robbins sang a solo.

Low mass was celebrated at the Catholic church at 8 a. m., and high mass at 10 a. m. Father Bex delivered an oration on the resurrection. The regular musical service was had in its usual excellent manner.

At the Christian a large congregation listened to an able and earnest discourse by Rev. Cronberger. Special music was sung by the choir and a duet was pleasantly rendered by the Misses Albright and Sears.

The decorations at the Episcopal church were especially beautiful. A large audience was present and participated in the beautiful Easter service. Among the special music was a solo by Mrs. Ed May.

The Brethren service was largely attended. The church was handsomely decorated with flowers and cut plants. A very able sermon was delivered by the pastor on "The Mission of Men and Angels" Miss King and Mr. Mathers sang a very pretty duet.

The congregation at the Presbyterian church was large. The decorations were elaborate. Rev.

Griffin preached instructively and impressively on the subject of the resurrection.

The Evangelical church was well attended and beautifully decorated.

Altogether the Easter services at the local churches were very successful and were enjoyed by a large majority of our people.

Requisition Papers Denied

The News speaks of a request for requisition papers made by County Attorney James last week, for a young man accused of statutory rape.

The statement is made that Mr. James thought Sheriff Hossack made it convenient to be absent so he would not have to go after the papers. We hope Mr. James has been misquoted in this matter, as we believe him too fair a man to unjustly reflect on any man. Those who know Mr. Hossack, know that he never shirks a duty however unpleasant.

Lieutenant Governor McGilton heard the matter of the requisition application on Friday of last week. After hearing the remarkable story of the girl's mother he refused to issue the papers for the reason as stated by him, that it was a bold attempt to blackmail the parents of the boy. He stated that he did not intend in any way to reflect on the county attorney who had acted in good faith, but that the testimony of the mother was simply beyond belief.

A Serious Operation.

Mrs. B. L. Metz submitted to a serious operation on Thursday of last week. A number of years ago a rose cancer manifested itself in her right side between

SHOE WHIMS

Almost every man has Shoe Whims of his own.

Nothing irritates him more than being urged to buy a totally different kind of shoe from those he wants, simply because the Shoe Store in question doesn't carry his favorite kind.

We can please nearly every man with Shoes. Not all—that would be impossible, but, at least, you won't be talked into bad or unsuitable Shoes.

The Choice of Good Shoes

here is both exceptionally and surprisingly large. They are better, by a dollar or more, than any other Shoes you can find at the price. The spring Styles await your coming.

the lower ribs. It gave her little trouble until recently when it began to grow rapidly. Dr. Fast, assisted by Dr. Burchard, removed the growth. Dr. Henderson of Rulo was present as an especial member of the family. Mrs. Metz withstood the ordeal splendidly and is rapidly convalescing. Her physicians say her recovery is assured.

Notice.

A meeting of all those who signed the Elk's petition will be held at the Sphinx club rooms Saturday evening at 8 o'clock. The lodge officers for the ensuing year will be elected at this meeting and other important business will be transacted. Let all members attend.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffers when Pain Balm affords such quick relief and costs but a trifle?
