#### He was Honest.

The latter part of last week Mrs. Will Uhlig lost a hand bag containing a pocket book in which there was something over ten dollars. Shortly after she dropped it, Ed King, who lives on the Hinton place south of town, found it on the alley crossing just west of Wahl's store. Mr. King had some purchases to make in Reavis & Abbey's furniture store, and he inquired there if they knew the owner of the pocket book. It was recognized by a member of the firm who had seen it in Mrs. Uhlig's hand that afternoon. It was restored to her, and she was grateful that a man of Mr. King's honesty had been the finder.

#### Trouble at Hamlin, Kansas.

On Sunday night a store at Hamlin, Kansas was broken into and robbed. Tuesday morning Dr. Fulton's blood hounds from Beatrice passed through here on their way to Hamlin. The hounds were immediately started to work and followed the trail up to a livery barn where two young men, Ross Willards and a fellow by the name of Meyers were. To make sure they started the hounds over the trail again, leaving the boys at the barn. The boys took a team from the barn and immediately left town. At this time they have not been caught.

Ross Willard will be remembered by many of our readers as he made this his home for a number of years.

#### A. W. Greenwald Elected.

At the session of the Grand Lodge A. O. U. W. held in South Omaha last week, W. A. Greenwald of this city was elected grand receiver. This is one of the highest positions in the order and for which there were many candidates. The Grand Receiver has charge of all the funds of the lodge. Mr. Greenwald is to be congratulated upon his splendid fight and its result.

#### Mery Hospital no More.

The Mercy hospital was closed this week. Dr. Houston has labored incessantly to make it a success, and has expended a large sum of money for this purpose. It seems, however, that Falls City is not yet ready for an enterprise of this character. Dr. Houston returns to his offices over D. W. Sowles confectionary store.

#### Died.

Chas Jones died at the home of his mother in Stella Saturday morning. He had clerked in different stores in Stella for the past fifteen years. About six months ago he contracted lung trouble and left for points in Colorado, in the hope of regaining his health, but he became worse and finally returned home about two months ago, and has been unable to leave his home since his return. The funeral services were from the Baptist church Sunday afternoon.

Wm Snyder died at his home in Sabetha, Kansas, Friday morning May, 12 and the funeral was held Sunday afternoon at two o'clock from the Presbyterian church in that city, with interment at Albany, three miles north.

Many of our people will remember, him as he lived here in this community in 1877. He was a relative of David Grush of this city. He was an old soldier.

Mr. Snyder was an old friend of John Hossack, who attended the funeral and was one of the pall bearers.

The funeral service of Elsie Leipik, the thirteen month old daughter of Joseph and Mary Leipik, was held from their home on Wilson St. Tuesday afternoon at 2 o'clock. Elder J. Cronenberg of the Christian church conducted the services. She was a sweet little child, cheering and brightening the home for a few short months, and has now gone to be with the Angels.

#### Veach Wins.

Wm Veach who went to Herington Kansas the first of the week, won the Elliott cup, ninety-four to ninety-two. Mr. Veach is certainly hard to beat. His many friends extend hearty congratulations.

**The Falls City Journal claiming to have the largest circulation in Falls City, published last week 155 inches of Falls City matter. The Tribune published 221 inches of Falls City matter. More than 25 per cent more than the Journal.**

Some time last winter the Catholic church at Rulo was robbed of vestments and other articles to the amount of about \$350.

J. J. Lamb was arrested at Rulo Friday and brought to this city and placed in the county jail, charged with grand larceny. He, in company with a man named Batton are supposed to be the robbers.

Batton was shot by a police at a town in Iowa while in the act of robbing a store, about a week ago. Lamb has secured an attorney and will be given a preliminary tomorrow.

#### China Anniversary

Mr. and Mrs. G. C. Jennings celebrated their china wedding, Sunday, May 14, 1905, having been married twenty years. The house was beautifully decorated with cut flowers, and a most pleasant day was spent. An elaborate dinner was served to about eighteen relatives. Many beautiful pieces of china ware were received by Mrs. Jennings. Those present were: Mr. and Mrs. Campbell, of Salem, parents of Mrs. Jennings; Jess Shrimpton and Minnie Jennings of Salem; George Slocum and wife, Esbum Wheeler and wife, A. J. Browns orchard was somewhat torn to pieces, also Chas. Brecht large new barn was blown down. The Lake Side school house was damaged to the amount of \$25 and the grove was badly demolished, several corn cribs and trees were torn up in that neighborhood.

#### Prepare for Convention.

The Roosevelt club met at the court house Wednesday evening to make preparations for the congressional convention June 1st.

A large number was in attendance and the various committees were appointed and are now at work. One committee will canvass the town to ascertain how many rooms can be obtained at private houses. Any one who will consent to entertain guests will confer a favor on this committee by leaving his name with P. S. Heacock. In addition to this committee others were organized on decorations, finance etc. Falls City will meet all expectations in caring for the crowd that will be here June 1st.

Falls City will be the center of interest on June 1. Let's make a success of it.

The fight in Nemaha county is about over and one Thomas Majors seems to be decidedly out of it.

Lincoln expects to run a special train to Falls City convention day with 200 Lancaster county "boosters" aboard.

The Otoe county convention passed resolutions condemning the use of railroad passes on the part of public officials, and commending the president's fight on railroad rates.

Judge William Hayward, Otoe county's candidate for congress, has engaged headquarters at the National, and has asked for accommodations for his twenty-six, a band and sixty rooters.

#### O. A. Cooper not a Candidate

O. A. Cooper of Humboldt whose name has been used by several as a candidate from this county for congress, was in the city Wednesday. He announced to a Tribune reporter that he was not a candidate, but that he believed the time was ripe for Richardson county to get the congressman. Mr. Cooper states it as his opinion that there never was a better time than now for this county to win.

#### Requisition Granted

Gov. Mickey granted requisition for the return of Perry Meyers from Los Angeles, Cal. This is the case in which Lieutenant Governor McGilton refused to issue requisition papers a few days ago. We understand that Mr. Meyers has returned without an officer.
