

Death Angel Reaps Its Harvest

RACHAEL E. HUTCHINS

Death, no matter to whom or in what form it comes, always brings with it the tear of sorrow and the sigh of grief, but it is not always that a single visitation of the destroyer brings such wide spread regret or draws forth so many expressions of sorrow. This wide spread regret and outspoken expressions of sorrow are the highest tributes that the community could pay to the character and worth of the departed.

Mrs. Rachael E. Hutchins was born July 11, 1851, at Linesville, Pa., died at Falls City, Neb., May 27, 1905, aged 53 years, 10 months and 16 days.

Her parents, Mr. and Mrs. S. E. Slocum, removed to Clayton county, Iowa, in March 1855, where the family resided until 1864, when they located in Minnesota for one year. In 1865 they came to Richardson county, this state, locating near Shubert.

Here Mrs. Hutchins grew to young womanhood, and the family can truly be regarded as among the old settlers who have done so much to redeem the wild land of the west and transform it into a beautiful country.

In 1874, the deceased was united in marriage to Mr. Warren Hutchins at St. Joseph, Mo. Their married life has been passed in this county. In 1903, they moved to Falls City where they have since resided.

Mrs. Hutchins leaves an aged father, S. E. Slocum, now past 90 years of age, two brothers, two sisters, her husband and four children, Guy, Sarah, Ethel and James Hutchins, and in addition thereto many other relatives and friends.

Mrs. Hutchins united with the Baptist church at Prairie Union, near Shubert, in 1877, and remained a member until her death. Some weeks ago, in conversation she expressed her personal faith in Jesus Christ and that her hopes were built on him for salvation.

Into this family the shadow of great affliction has come darkening the lives of husband and children, but as they sit enshrouded in the gloom of grief, may they find some comfort in the many words of sympathy

Miss Jennie Fellers left Sunday for Lincoln to be present on Wednesday at the marriage of her friend, Miss Grace Bennett, to Mr. Vernon Hedge, the happy event taking place at the home of the bride. The bride has often visited here and has many friends who will extend warm congratulations.—Humboldt Leader.

spoken from the hearts of friends. Many beautiful floral tributes gave further expressions of these sentiments.

Funeral services were held from the home in charge of Rev. W. T. Cline and Rev. S. W. Griffin. The interment took place in Steele cemetery.

KATHERINE GRACE MURPHY

Katherine Grace, daughter of Mr. and Mrs. Pat Murphy died at her home Friday, May 26, 1905 at six p. m. She was born March 9, 1895.

On March 28, 1895 she was baptized in St. Francis Catholic church. She has been a sufferer for some time with rheumatism and about two weeks ago when a cyclone struck their place this little girl became frightened and gradually grew worse until her death. There was nothing left undone that mortal hand could do to relieve her but all was in vain. God the supreme ruler of the Universe has called her to her reward.

The funeral services were held from St. Francis Catholic church on Sunday afternoon at three o'clock, the church being crowded to its utmost capacity. Rev. Bex had charge of the solemn services. At the close the remains were taken to the Catholic cemetery east of this city for interment.

Ernest A. Jorn, living near Stella, was kicked by a horse on Tuesday evening at six o'clock and instantly killed. Mr. Jorn was thirty-one years old and leaves a wife and many relatives and friends to mourn his sudden departure. About one year ago he was married to Miss Maude Dye at Peru, Neb., one of Richardson county teachers.

Mr. Jorn was about his chores with the help of brother-in-law when the latter hearing a noise in the barn rushed in to find out the cause. He found Mr. Jorn behind the horse dead, he had been kicked just below the ear.

The funeral services were held at the home at ten o'clock and interment in the Lutheran cemetery south of of Verdon on Tuesday, Rev. Poot of Stella officiating. We express words of sympathy to his wife, brother, sisters and other relatives.

Mrs. Grant Windle, of Falls City, and Mrs. Lewis, of Los Angeles, Cal., have been visiting their aunt, Mrs. Susan Harmon. Friday they went to Falls City to visit.—Hiawaha World.

WERNER, MOSI-MAN & CO.

About thirty members of the Southeastern Nebraska Fruit Grower's association from Otoe, Johnson and Richardson counties were in attendance at the meeting held at O. P. Dovel's office Friday afternoon. The committee on freight rates reported that they had secured a reduction of 33 per cent on car load lots from the Burlington and Missouri Pacific west. This puts apples, peaches and pears in class B instead of 5th class as heretofore and means a saving of about \$30 on a car. The committee on express for small fruit were not able to report at this meeting, but arrangements were made to send out two advance salesmen, one from Tecumseh and one from Auburn, to make contracts for future shipments in the territory west and northwest. The association expects to get a rate of 25c per hundred on small fruit where they now have to pay 50c.—Nemaha County Republican.

The republican county convention met at the court house Saturday afternoon to select twenty-four delegates to the congressional convention now in session in this city. It was one of the largest and most enthusiastic conventions held in years, every precinct but one being represented by men who had left their work in the busiest season in order that the wish of true republicans might be observed.

One of the significant signs of future events, is the purchase of a residence property in the residence district by Frank Schaible.

Coining in China.

Chinese mints are literally "coining money" on a scheme recently hit upon by which copper coins are minted at a comparatively small cost and made exchangeable at the rate of 90 for a Mexican dollar. At Hangchau 20,000,000 of these copper coins are being made every month and shipped to Shanghai. The coins are officially known as the ten-cash coins, corresponding to our American one-cent piece. One hundred of these coins weigh slightly over 24 ounces, and a pound and a half of copper costs only from 10 to 20 cents. No great amount of power is needed to convert the copper into coin, and plenty of labor can be had at from four to eight dollars, gold, a month.

Rice That Is Thrown Away in Tons.

According to the vicar of a Birmingham church, about two pounds of rice is thrown at the brides and bridegrooms every week at each of the 75 churches in Birmingham and its suburbs, and the 8,000 pounds of rice thus thrown away and absolutely wasted last year might have been of very great use in feeding the recently famine-stricken people of India. There are over 20,000 places of worship in England, and if this estimate be true for the other churches of the country, then it follows that nearly 90 tons of rice are yearly thrown away at weddings and wasted, at a cost of over £4,000.

And a Hard One, Too.

"Does the winner of a prize fight take all the prize?" asked the fluffy-haired typewriter boarder. "No," replied the grocery clerk with the auburn tie, "the loser also gets a whack."—Chicago Daily News.
