MARRIED.

DOUBLE WEDDING

Wednesday at 10 o'clock a. m., at the residence of W. E. Dorrington, occurred the marriage of Ed Fisher to Miss Lillian Dorrington, and Harry Ross to Miss Anna Dorrington. One corner of the spacious sitting room was tastefully arched with white syringa and curtained with palms and ferns, while a white dove was suspended by elaborate loops of white ribbon.

Here Rev. Cline, in the presence of about one hundred guests, read the ring service while Mrs. T. J. Gist played "O Promise Me," very effectively. Both brides wore beautiful costumes of white crepe and lace, and carried shower bouquets of white roses. After congratulations elaborate luncheon was served in courses. Many valuable and useful presents were given the young couples by their friends. Among these were two checks for one hundred and fifty dollars from the brides' uncle, John W. Dorrington of Yuma, Ariz.

Both young ladies were born and reared in Falls City and have many sincere and lifelong friends here. They are among the most charming and cultured of our town's young women. Miss Lillian has been a successful teacher in the public schools for several years, and Miss Anna was identified with the Falls City Telephone company.

Ed Fisher is also a Falls City product. He was one of the young men who went to the front during the Spanish war, and saw active service in the Philippines. He has charge of the Wells-Fargo Express company's business and is both industrious and competent. Harry Ross is a newspaper man, of Greenwood, Wis. He has made many friends during his visit here and is a young man with a bright future.

The party left on the Burlington for Kansas City. Mr. and Mrs. Fisher will return to this city in a few days and Mr. and Mrs. Ross will start from there for Greenwood, Wis., to make their future home. A large crowd was at the depot to start them in the proper manner and many pranks were played.

The Tribune joins many friends in congratulations.

MOSIMAN-JOHNSTON

.... A Change

This is the last issue of The Tribune in its present form.

A consolidation of The Humboldt Enterprise and The Tribune has been effected, the two properties being owned and controlled by The Tribune Publishing Company, an incorporation with a paid up capital stock of \$6,000.

The stock is held by fifty-two stock holders most of whom live in the eastern half of the county and all of whom are among the leading republicans of the county.

The paper will be published in Falls City under the title "The Falls City Tribune." It will be equal in size to the largest paper published in the county, and we hope to make it the superior of all in reading matter.

It will have a guaranteed circulation of more than 2,000 subscribers, which is by far the largest circulation of any county paper.

The subscription price will continue at \$1.00 per year. The advertising rates will be fifteen cents an inch except for contract work which will be twelve and one-half cents an inch.

The paper will be republican in politics.

The consolidation of these two papers was consummated at the recent republican county convention, and was in response to a universal demand among the republicans of the county to have a republican paper published at the county seat which would meet the requirements of the party in size, equipment and circulation.

The Tribune is now prepared to compete with all competition in all things pertaining to newspaper work and job printing.

We ask to be judged by our accomplishments and not our promises.
