

## A Voice From Washington.

Spokane, Wash., June 29, '05.

Editors Tribune:—This is the year for eastern people to make a trip to this section of the country to see the Portland Lewis and Clark fair and this great north-west. There are many things of historical interest and great natural beauty in what was once known as "Old Oregon." The present states of Washington, Oregon, Idaho and western Montana were once included in Oregon. Read McLaughlin and Old Oregon if you want an interesting chronicle of the Hudson Bay Co and the first settlers of this section.

Then for a story with much of truth running through it, read Balch's Bridge of the Gods. This book is rich in Indian tradition and descriptions of the scenery down the Columbia river.

If I were making the trip from Nebraska with the expectation of seeing the most I should come via the Burlington to Denver, Denver and Rio Grande to Salt Lake City, Oregon Short Line and O. R. & N. Salt Lake to Portland, and the Burlington from Portland through Tacoma, Seattle, Spokane back to Nebraska.

Those who have not seen Denver can well afford to take time enough to see its beauties. The best quick way to see all the western cities is to take the "Seeing Denver," "Seeing Salt Lake," and etc. cars that go over the main parts of the city with explanations by the conductor. These cars make two trips a day usually at 50 cents a trip. The hotel clerk or any policeman will give you information in regard to these cars. Stop long enough at Colorado Springs to go out to Cheyenne Canon, with its seven falls, and over to Manitou with its mineral springs, and Pike's Peak.

From Colorado Springs there is nothing of especial interest till you reach Canon City, a few miles west of which is the wonderful Royal Gorge. Be sure to make your plans so you will have a day trip from Colorado Springs to Glenwood Springs, for between these two points is some of the finest scenery in the Rockies. Twice I have crossed on this road. Think I should never tire of its beauties. Tennessee Pass, 10,000 feet above sea level, is one of America's Edens.

From Glenwood Springs to Salt Lake there is little of beauty and much of sage brush. One or two days in Salt Lake will give you time to see its especial points of interest. Coming west from Salt Lake stop a day at Boise, Idaho, and see how irrigation makes the desert indeed a garden.

It is true all over the country that land is the safe property to handle. We are convinced that irrigated land is the land to handle. The day of cheap land is past.

In going on the O. R. & N. down the Columbia river to Portland stop at the Dalles, or twenty miles farther at Hood river and have an all day boat to Portland. The Palisades of the Hudson are not to be compared to the beauty of the mighty Columbia as it cuts through the Cascade range.

Domes, minarets and steeples rise 4,000 feet, Mtnomah Falls, with its two leaps, covers 800 feet, Bridal Veil Falls and countless other beauties keep one on the alert. On the train one goes too fast to drink in all these beauties. A trip from Portland could be made to Hood river and back for \$1.00 if one does not stop going to Portland. Mt. Hood, thirty miles from the Columbia at Hood river, is a wonderfully beautiful snow-capped mountain. Opposite it on the Washington side is Mt. Helens, also snow-capped and beautiful.

Another trip from Portland should be made either by rail or boat ninety miles down to the coast to see and hear the surf of the mighty Pacific.

Starting homeward from Portland stop at Tacoma. See her harbor and big shipping vessels. Go out to her fine old park, Pt. Defiance and gaze on the "mother

of mountains" as the Indians name Mt. Tacoma means. (Seattle and the geographers call this mountain Mt. Rainier.) This mountain is higher than Pike's Peak and never loses its snow. It is by far the prettiest mountain I have ever seen.

From Tacoma take the steamer "Flyer" to Seattle, a distance of forty miles and then if more boating is desired go to Vancouver B. C. Puget Sound is the "Mediterranean of Washington."

There are many things of interest in and around "hunting, bustling" Seattle. After Seattle has been seen, take the Burlington again and come across the state of Washington and STOP OFF AT SPOKANE.

If you want to see more irrigated land stop a few hours at North Yakima about half way between Seattle and Spokane. This irrigated lands sells from \$100 to \$500 per acre and worth it too, because of the income it yields. Five or ten acres in fruit and vegetables is all and more than one person can handle.

At Spokane one will find a city about the size of Lincoln, Nebr. It is scarcely equalled anywhere in the fine appearance of its business streets. It is noted, too, for its beautiful homes, for there are many wealthy people here. The beautiful falls of the Spokane river dash in a succession of leaps two blocks from the center of the city.

Davenport's restaurant here has one of the finest dining rooms on the American continent. It is not equalled west of New York and claimed by some not even in that metropolis.

If you want your trip crowned with a final succession of beautiful scenery, stop at Livingston, Mont. and spend a week in the nation's greatest playhouse—Yellowstone National Park. We went with the Wiley permanent camp people and prefer it to the Transportation route. All the different means of going travel the same government roads.

Such roses as you will see in Portland, Tacoma, Seattle and other coast cities! Every lawn whether large or small is a bower of beauty.

Do not start on a trip to the coast without a light overcoat or a light jacket. In the cities west of the Cascades it is not uncommon to see people wearing furs any time during the summer. It is always cool on the water.

## JUST WHAT EVERYONE SHOULD DO.

Mr. J. T. Barber of Irwinville, Ga., always keeps a bottle of Chamberlain's colic, cholera and diarrhoea remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's colic, cholera and diarrhoea remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold at Kerr's drug store.

## Burlington Bulletin.

Winter tourist rates to California, the Gulf country, Cuba, Florida, the South and Southeast.

Low one way settlers rates first and third Tuesdays of January, February, March and April to Southeast point, beyond the Ohio River.

## WHOOPIING COUGH IN JAMAICA.

Mr. J. Riley Bennett, a chemist of Brown's Town, Jamaica. West Islands writes: "I cannot speak too highly of Chamberlain's Cough Remedy. It has proved itself to be the best remedy for whooping cough, which is prevalent on this end of the globe. It has never failed to relieve in any case where I have recommended it, and grateful mothers, after using it, are daily thanking me for advising them." This remedy is for sale by Kerr's Drug Store.

## DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

## FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

**How to Find Out.**  
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

## G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.

## RULO

Rulo is going to celebrate on the Fourth rain or shine.

May Hull is clerking in the new restaurant for Will Davis.

Bridge Foreman Arvidson and gang are here rebuilding the Burlington stock pens.

Joe McVey has been working with the Burlington depot gang at Wilbur for some time.

Mr. Easter has a pretty field of corn which is waist high. Who can beat it in Rulo precinct?

The work on W. J. Cunningham's fine residence is progressing rapidly and will be ready to occupy about October 1st.

The fine residence of Steve Cunningham is almost complete. Steve will move into his new home about September 1st.

The fine steambot, R. C. Gunler, from Kansas City, passed Rulo Wednesday of last week for Omaha. Their music was fine.

Mrs. Watyne has made some great improvements on her Main street property, which will be occupied by Phil Horan for a barber shop.

Mrs. J. A. Thomas will leave soon for Santa Barbara, Cal., where Mr. Thomas is employed in a lumber yard and will make that their future home.

Will Young and wife have gone to house keeping in the Oeamb house. Will is night watchman on the engine that pulls the Atchison freight.

The pupils of the Catholic convent gave an entertainment in the opera house Thursday night of last week which was fine. Had a large crowd and good order.

On Friday night of last week the big gasoline lamp in Ike Jarrot's restaurant exploded, seriously burning two small boys. Otherwise the damage was small.

Mrs. Roy Hart and little daughter, Gladys, of St. Joe, came up last week to spend a month with relatives and friends. Roy is bookkeeper for a bank in St. Joe.

Say! Talk about pumpkin pie! Well Clem Davis has just about as fine a patch of pumpkin vines as one would wish to see, and Clem says if the great powers doesn't prevent it he will have a bumper crop this fall.

Yes, by the way, we notice the city is having some improvements made in the way of repairing and rebuilding sidewalks, also street crossings, and are having the weeds cut which is a good thing and speaks well for our city officers. Let the good work go on.

The Rulo base ball team is talking of clearing off a piece of ground between the Atchison line and the river for the purpose of playing ball. Don't know about it as we heard the mayor say some time ago that there would be no Sunday ball games in Rulo this year.

making some improvements by way of enlarging their yards for the purpose of giving the Atchison trains an independent track, coming into Rulo on the south side of the depot and connecting with main line west of the depot, instead of east of the depot. This was a most needed change for the railroad people.

## PLEASANT VIEW

Too late for last week. Miss Davison has engaged to teach school in district No. 9.

Mrs. Johnson, of Kansas, is visiting her niece, Mrs. J. O. Shroyer.

Mrs. Richards returned home Sunday, after spending a week in Iowa.

A. D. Sargent had the misfortune to lose a young horse last week.

Hugh, Ellen and Emily Phillips spent Sunday with T. H. Edmonds and family.

Ruth Hosford will spend the summer with her sister, Mrs. Manstetter, near DuBois.

Chas. Hosford and wife and Mrs. C. B. Gridley attended the funeral of Lester Hayes near Stella Sunday.

Kate and Minnie Mayer returned Sunday from Woodbine, Iowa, where they attended the wedding of a cousin.

## BARADA.

Wes Lindle was home from Verdon Sunday.

Jack Prosser hauled hogs for Tom Smith last Monday.

Miss Anna Crotty attended the Catholic Congress in Seneca last Sunday.

Mr. and Mrs. Lewis George spent Sunday with Mrs. George's mother Mrs. Elder.

Co. Supt Crocker and Miss Moore of Stella dined with Miss Crotty last Monday.

Mr. and Mrs. Jesse Ankrom visited Mrs. Ankrom's mother Mrs. Wm. Corp last Sunday.

County Supt. Crocker met the members of school board at Barada on Tuesday to settle up school matters for the scholastic year just ended.

Mr. and Mrs. Sam Prosser left for St. Joseph Wednesday taking with them their little daughter. They go to consult the specialist in regard to the little ones health.

Little Elsie Elder while playing, gashed her foot severely on some broken glass. The hemorrhage was so severe that Mrs. Elder was alarmed and called in Dr. Maust. Elsie is now able to use her foot and seems quite comfortable.

Miss Bridget Kelley, of this place, accompanied by Miss Anna Crotty, of Falls City, left Saturday afternoon for Seneca, Kansas, to attend the national congress of the Hessian Order. The Hessian fly, which threatened a destructive invasion of Nebraska, seems to have been successfully Oyamaded.

## MAKES A DIFFERENCE

W H O repairs your watch. If you are satisfied with merely a pocket piece, very well, let any jeweler repair your watch. But if you want your watch to be a time piece—one that tells the correct time at any hour of the day—there is but one jeweler to take it to and that is Jaquet. The many who depend on him for their watch repairs, will bear out the assertion.

## CUBAN DIARRHOEA.

U. S. soldier who served in Cuba during the Spanish war know what this disease is and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify, thank God for so valuable a medicine." For sale at Kerr's Drug Store.

The publishers of the Nemaha County Republican paid to the postal authorities this morning the sum of \$167.05 for postage on copies of the publication sent out in violation of the 50 cent sample copy list. This case has been up to the department for some time and after a thorough sifting of the matter at issue it was decided by the department that 1,285 weekly papers for thirteen weeks were not entitled to the pound rate but were chargeable to the second class rate, 1 cent for each four ounces or fraction thereof.—Shubert Citizen.

Really there is not much for the populist papers to say. They might get busy telling how foolish they have been, but they never will do that.—York Times.

The Hessian fly, which threatened a destructive invasion of Nebraska, seems to have been successfully Oyamaded.
