

Press Notes.

Al Doener was up from Falls City Monday.—Verdon Vedette.

Evan Owens was up from Falls City Saturday. Evans is fast becoming one of the best carpenters of that thriving hamlet.—Verdon Vedette.

Mrs. J. L. Slocum and daughter Mrs. Harry Jenne of Falls City, drove up Friday and spent the day with Mr. and Mrs. B. F. Wiser.—Verdon Vedette.

Last Thursday Jennie Fellers drove up from Humboldt and met a very enthusiastic party at Miss Laura Holmes awaiting her to instruct them in fancy work.—Table Rock Argus.

Mr. and Mrs. C. M. Townley will retire in a week or so from their part of the management of the Florence hotel, and will be succeeded by Mrs. Georgia Beveridge and son of Omaha.—Stella Press.

The Burlington depot at Nemaha was entirely surrounded by the water from the Missouri river this week and persons going to and from the depot are conveyed in wagons or boats.—Auburn Republican.

Miss Carrie Stetler, of Pawnee City, and Florence Moon, of Falls City left over the Rock Island for a trip to the Lewis & Clark exposition at Portland Ore., and other points of interest both west and north-west.—Pawnee Chief.

The postoffice at Strausville was robbed one night last week. About eighteen cents was taken from the cash register. The register was torn to pieces. The post office drawers was robbed of one dollar. No clue to the robbers has been obtained.—Verdon Vedette.

Miss Vera Curtis, a pretty 19 year-old girl who lived with her parents, Mr. and Mrs. B. F. Curtis, near Troy, committed suicide July 1st by taking carbolic acid. She was to have been married in September to John W. Stevenson, who was accidentally killed on the railroad at Savannah, Mo., a few weeks ago. Despondency, was the cause of her action.—Hiawatha World.

The annual ball game of the barbers, printers and cigar makers versus the clerks took place at the fair grounds Monday, and was witnessed by quite a crowd of interested spectators. The game was an interesting one, on which free fitting was the rule. The score assumed such proportions that it would not look well in print. Suffice it to say the clerks were defeated.—Pawnee Chief.

While they were enjoying a ride in the country Sunday, a horse driven by Mr. and Mrs. Ned McKnight, became frightened at an automobile. The animal started to climb a hill and upset the buggy. Mr. McKnight clung to the lines and was dragged quite a distance but manage to keep control of the horse until he could be stopped and buggy righted. Mrs. McKnight became frightened at the horse's actions and jumped from the buggy. Her face was badly scratched.—Auburn Herald.

Dan A. Watson, aged 29, a son of ex-Postmaster M. S. Watson of Reserve, died early Wednesday in Hiawatha, after a severe illness of less than a week. His illness, probably brought about by overwork, has been coming on for the past few weeks. He was brought to Hiawatha Thursday, July 6, and grew steadily worse from that time. Dan Watson was as fine a young man as there was in Brown county and his sudden death came as a shock to many friends and acquaintance. He is survived by a wife and three children under five years of age. Mrs. Watson herself has had charge of the Reserve telephone station for some time.—Hiawatha World.

Mr. Watson was a brother of Mrs. D. H. Sears formerly of this city.

The printers seem to get the worst of it in the Fourth of July festivities this year. Charles Compton, of the Hiawatha World office, may lose the sight of one of his eyes from an explosion of powder in a can and a printer on the Erie Record lost the two fingers and most needed in setting type by holding a cannon fire cracker between them.—Robinson Index.

Following the course pursued by the Auburn school board, which refused to cancel the contract of Prof. Walton, who had a chance to become head of the Chadron schools at the advanced salary. Superintendent Carrington has issued the following notice to school teachers

"Notice is hereby given to school teachers that if you have contracted for a nine month's school in Nemaha county, and by chance you have an offer of a better position but the school board with which you have contracted refuses to releases you, then if you wilfully violate the contract by accepting the other position, I will consider the same sufficient cause for the revocation of your certificate"—Auburn Herald.

Falls City is a great show town and always has some sort of a show coming on. Last year the town had three circuses and yet every one of them got rained on. F. C. is now preparing for a street fair, with the big Parker combination a Kansas product, by the way to put on the work. The Parkers have held several fairs in St. Joseph, Topeka and other big towns and they are said to be top liners. This town could never see its way to a street fair, but now that Falls City is to have one the whole week of July 24 to 29, no doubt a large number of Hiawatha people will attend. Among other things, there is to be a public marriage on top of a Ferris wheel, a lady high diver, lady loop-the-loopist, and a whole lot of other good things. C. C. Davis, editor of the Falls City News, and Mr. and Mrs. H. S. King were here in a big red automobile Monday advertising the show.—Hiawatha World.

The new inebriate law went into effect July 1st. A habitual drunkard can now be sent to the asylum and treated for that disease. The county sending him pays \$15 to begin with, and then additional amounts according to the time it takes to cure the fellow.

The law provides that any person using drugs or liquor to excess may be taken before the county board of insanity and committed to the state hospital for insane at Lincoln for treatment at the expense of the county from which he is sent. The act provides that any person thus committed who may take the pledge to remain sober and abstain from the use of liquor or drugs in the future may be paroled during good conduct, if regular reports are made to the superintendent of the institution. Because of the crowded condition of the hospital the state will find it hard to accommodate many dipsomaniacs, although the congestion will be relieved in the near future by the completion of the Norfolk asylum.—Stella Press.

Market Letter. Special to The Tribune. Kansas City, Mo., July 17, 1905.

Receipts of cattle of the local market show a material increase the past week over those of the former week. With the increase in supply, came a wide range in quality, from the lowest classes of steers and she stuff to topky kinds. The increase was mostly on the Quarantine side and range offerings in the native division. Prices have declined 15 to 25 cents showing the entire advance of the former week wiped out. Fancy heavy beeves were scarce and value were not fairly tested. The top was \$5.65, while offerings are plentiful at \$5.00 to \$5.50. Plain half fat kinds were not wanted. Mixed steers and heifers sold about steady with the range during the preceding week. Stockers and feeders were dull at 10 to 15 cents lower prices. Veal calves strong. Western grades are beginning to come, but the quality is poor. Following the liberal supply of last week close to 16,000 cattle were in the pens today. A few over 8,000 were in the quarantine division. The quality was only fair to good including a large percent of plain Western cows that brought \$2.00 to \$2.50. Fat steers were scarce only a few bringing above \$5.00. Native heifers brought \$4.00 to \$5.00. The market averaged 10 to 15 cents lower and closed with a number still unsold. Good cows brought \$3.25 to \$4.30, veal calves \$5.00 to \$5.50. Good choice light weight stockers were in demand but other kinds were not wanted. A large number were plain Western grades. Prices of hogs reached the high point of the year today, being 2 1/2 to 5 cents above last Saturday. The top was \$5.75, and the bulk of sales \$5.67 1/2 to \$5.75. The quality is generally good, though in spots some thin grassers and rough mixed grades were offered. Light weights butcher hogs were in best demand. After a gain of 15 to 25 cents in the sheep division, prices were 10 to 15 cents lower today. Spring lambs bring \$7.00 to \$7.50. Western sheep \$5.00 to \$5.50, yearlings \$5.50 to \$5.75 and owes \$4.65. The demand on nearly all classes is expected to remain strong with moderate receipts. J. A. RICKART. L. S. Corrospondent.

This congressional district needs so many things, that the principal thing it does not need is a democrat in congress. The gentle spirit of William Penn must take the situation very much to heart, as it broods over the City of Brotherly Love. Nellie Marsh and Florence Wylie went to Verdon Monday to spend a few days with relatives and friends.
