State Fair News. This is the last call for the Nebraska State Fair at Lincoln, Sept. 4th to 8th. To attend means a most pleasant outing at a trifling expense; a chance to mingle with and be one of nearly 100,000 people from all parts of the state bent on having a good time; an opportunity to see and to learn in resources and the people of the state that which it is not possible elsewhere to see and to learn, and the remembrance of which will be recalled with pleasure for months and years to come. Special train service has been provided on all railroads and a one fare rate for the round trip. In addition to large hotel accommodations, the citizens of Lincoln will open their houses to state fair visitors and no one need lack for a room and bed, on reasonable terms, while in attendance at the fair. The entries and exhibits promise to exceed that of any previous fair in the history of the state. A special feature at the state fair will be an Igorrote village which was one of the greatest attractions at the St. Louis exposition, and visited by more than 1,000,000 people; a tribe of Igorrotes, Head-hunting Dog Eaters from the province of Bontoc, Island of Luzon, under charge of Dr. T. K. Hunt, Governor of Bontoc, by special permission of Secretary of War W. J. Taft. A stockade seven feet high immediately north of agricultural hall is being constructed for the use of the Igorrote village. There will be racing each day of the fair; the fastest horses in the west have entered and will contest for the \$5,000 cash offer in purses. Remember the dates, September 4th to 8th. Like Finding Money. Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber of Sandy Level, Va. He says: "I had a terrible chest trouble caused by smoke and coal dust on my lungs, but after finding no relief in other remedies, I was cured by Dr. King's New Discovery for Consumption, Coughs and Colds." Greatest sale of any cough or lung medicine in the world. At A. G. Wanner's drug store, 50c and \$1.00, guaranteed. Trial bottle free. Holiness Mission. There will be meetings at the Dorrington Hall every two week Saturday evening and Sunday and a special meeting Sunday afternoon. Beginning September 20th, there will be other workers to help in the work. All are welcome. Come let us enjoy praise of God together. Remember the date, 61-11 Rev. W. O. POLLARD.
