Team Ran Away.

As Matt Schulenberg and Dick Williamson were on their way to Barada Tuesday evening their team ran away and both narrowly escaped injury. At a point about a mile and a half north of town the neckyoke strap came unbuckled and the tongue fell allowing the buggy to run forward on the horses. Both were thrown from the buggy and Mr. Williamson was rendered unconscious. Both men were quite badly bruised and felt the effects of the fall for some time. The buggy was badly damaged.

The Commercial Club.

An enthusiastic meeting of the Commercial club was held at the court house on Monday evening. The weather was exceedingly disagreeable but the attendance at the meeting was very large because of the important matters that were to come up for discussion. President Hall presided and after some routine business, the report of the committee appointed to go to St. Louis to confer with Missouri Pacific officials regarding the division, was submitted by E. H. Towle. Mr. Towle reported progress and was confident that the committee will be able to show the officials the feasibility of locating the division at this point and the report was regarded as very encouraging by all present.

E. E. Burris moved that a committee of three be appointed to call on the business men and see what could be done in the way of getting freight shipments from the wholesale houses routed over the Missouri Pacific in the event that the division is located here. The motion carried and the chair appointed E. E. Burris, T. J. Gist and C. M. Wilson as such committee.

C. F. Reavis moved that the president be authorized to purchase three hundred buttons suitably inscribed, to be worn by all citizens who will declare by so doing that they will buy and use so far as possible, only Falls City made goods. Motion carried. The committee appointed to call on the business men and urge that they sell only Falls City made cigars, reported splendid success.

Treasurer Greenwald submitted his report showing a balance of \$111.68 in the general fund and \$107.50 in the road fund. The report was approved.

It had been agreed at a previous meeting that representatives of the Falls City Telephone Co. and the representatives of the several Farmers' Mutual companies seeking admission to Falls City and the members of the city council be asked to meet with the club for a discussion of the telephone situation. Owing to the fact that the secretary had failed to notify the mutual companies and their representatives were not present, a motion prevailed deferring the discussion until the next meeting. But the discussion was not deferred. J. H. Morehead and A. J. Weaver were there to represent the Falls City company and warmly advocated their policy by keeping the farmers out. C. F. Reavis championed the cause of the mutual companies and the debate was very spirited. At the next meeting all the companies interested will be present and each side will be given a fair and impartial hearing and then the club will see what steps it can properly take in adjudicating the matter. The meeting on Monday night gave ample evidence of the fact that Falls City has an enthusiastic Commercial club and that it is doing a whole lot of good for the town.

A Long Journey.

Mrs. Alice Lehman and little daughter, Ada Faith, arrived this week for a visit at the home of Mrs. Lehman's father, John Heise who lives seven miles south west of this city. Mrs. Lehman and her daughter came from Rudeport, South Africa. In 1897 Alice Heise left for South Africa to take up the work of a missionary among the natives. She was married May 1, 1900 at Capetown to Mr. Lehman and little Ada Faith was born at that place on June 18, 1902. On February 27, 1905 they left Rudeport on a years furlough and begun the long journey of twelve thousand miles back to the old home, they reached Capetown March 2 and on March 5th boarded the steamer upon which they remained for five weeks. Little Ada is a bright child and sings the Zulu songs and talks freely of life in her home so far across the seas.

Frank Shubert For Senator.

The senatorial convention to fill the vacancy created by the resignation of E. A. Tucker met in Table Rock Monday afternoon. J. C. Dort of Pawnee City was made chairman and Irvin Shirley of Humboldt, Secretary. Frank Shubert of East Muddy was unanimously nominated for Senator. This nomination will prove very satisfactory to the republicans of Richardson County. Ms. Shubert is a young man of excellent ability and well fitted for the position. Aside from his popularity with the people who best know him, he stands as the representative of all that is best in the republican party. The nomination is excellent and Frank's majority will attest his standing with his people.

Railroad Meeting.

A meeting of the directors of the proposed Falls City, Sabetha and Southwestern Railway was held at the council chamber in this city on Wednesday afternoon. The organization of the company was perfected by electing Joe Miles, president; Ed Towle, secretary and W. E. Dorrington treasurer. The following directors were present; Geo. Campen, Joseph Miles, Ed Towle, J. L. Slocum, E. S. Towle, W. E. Dorrington, William Crook, E. A. Maust & Sons, Sam Kimmel, Henry C. Smith, Geo. Boone, W. A. S. Bird, Chas. McGuire, J. N. Wallace, Harry Reeling, Roy Hesselstine, and E. V. Kauffman.

A committee composed of W. A. S. Bird, E. S. Towle, Geo. Boone, W. E. Dorrington and E. V. Kauffman was appointed to draft articles of incorporation. An assessment of ten per cent on the capital stocks was ordered to provide for preliminary expenses.

The company then adjourned to meet at Scyamore Springs to draft articles of incorporation in accordance with the laws of Kansas.

The directors of this proposed railway mean business and unless the unexpected happens the road will surely be built. It is the present intention to survey from the north line of the Richardson county, through the Falls City and south to Sabetha and thence southwest to connect with the Central Branch of the Missouri Pacific.

Died.

Word was received yesterday morning of the death of T. H. Cain in Atlanta, Georgia on Oct. 11. Yellow fever was the cause of his death. The deceased was a brother of Mrs. Laura B. Paxton, J. R. Cain and Fred Cain of this city.

Our Own Candidate For Regent.

Victor G. Lyford was born in 1859 at Neponset Bureau county, Illinois, being the third of fourteen children. He spent most of his youth, when not in school, working on his fathers farm. He graduated from Hedding college, Abingdon, Ill., in 1880 taking the degree of bachelor of philosophy. The following year was devoted to teaching in the graded school of his native town. During 1882 and 1883 he studied law in the law department of the Northwestern university, having A. R. Talbot and William J. Bryan as classmates. In 1883 with A. R. Talbot under the firm name of Lyford & Talbot, he embarked in the practice of law at Lincoln. In 1884 he returned to Illinois where seven years were devoted to a mercantile enterprise. Since 1891 he has lived eight years at Humphrey, Platte county, Nebraska, and six years at Falls City, Richardson county, all the while engaged in mercantile business. He is an active worker in nearly every local interest, is now serving his second term as a member of Falls City board of education, is a member of the Methodist church, Knights of Pythias, Modern Woodman, Workmen, Highlanders and the legal college fraternity, "Phi Delta Phi." In 1885 he married Florence N. Willits of New Boston, Ill. Their family now consists of six daughters. With a New England ancestry, traced directly back to 1627, he could be nothing but a republican. The candidacy of Mr. Lyford is meeting with general favor throughout Richardson county. While his election is conceded by all, it seems to be the general desire of the people that his own county should give him a most flattering majority. In this manner the voters, one might almost say without regard to party affiliations, will testify to his standing as a citizen and his fitness for the office for which he has been nominated.

Judge Tucker To Resign.

The press dispatches yesterday morning announce that after a full review of the report of the inspector made on Judge Tucker's case the department of Justice at Washington has called upon Judge Tucker to resign. No information is obtainable at this time with reference to what charges were sustained, but it is presumed that the more serious specifications were not substantiated in as much as the Judge was given the opportunity to resign. The suggestion is made that Judge Paul Jessen of Nebraska City will be appointed as his successor. Judge Tucker was appointed less than a year ago and has served through one term of court. The position paid \$4500 a year.

Factory Enlarged.

R. E. Kanaly has found it necessary to enlarge his cigar factory and a gallery has been placed in the room to afford more space for the use of workmen. It is always a good sign when the management of any factory is forced to provide more floor space in order to handle the business.
