DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

A CAR LOAD OF CROWN PIANOS

JUST RECEIVED DIRECT FROM FACTORY

These instruments have not been received on consignment, but were bought for cash. In buying this way I save freight and other costs and can make prices correspondingly low. Can sell for cash, or on any reasonable terms.

I have these instruments on exhibit at my home on South Stone street between 7th and 8th—one block south of the Wahl building. Thus I save rent on an expensive store room and subtract the same from my selling price. Remember you are invited to call and see and test these instruments. Old pianos repaired.
