# WE STRIVE

to make every day of the Fall and Winter trade into a Bargain Sale day. We look the interests of our patrons always and will always meet and defeat any price offered you, quality considered. We can truthfully say that our stock this season is more complete and exhaustive than ever. You know what that means—it means the largest and best stock to select from. The stock will credit this claim. Before purchasing inspect our stock and verify the truth of these assertions. We do not ask you to come and help us, but we say help yourself. Just as an evidence that we mean what we say, look at these prices. If we don't quote what you want, bear in mind that we have correspondingly low prices.

### DRESS GOODS

### We are Buried With Orders

for our superior grade of Coal, but we like it. We like the orders just as well as careful, critical people like the coal. Many people won't have any coal but ours, because they know the difference. Some people haven't studied coal economy as much as we think they should. Better order a ton of ours.
