One of the peculiar things brought to light in connection with the administration of the new wolf scalp bounty law is the fact that Douglas county has presented more claims for gray wolf scalps than any other in the state. The allowance on such animals is \$5. Four such claims have been made from that county since July 1, when the new bounty law went into operation. Hastings Tribune.

Maud Reese, third daughter of former President Reese of the York college, was shot and instantly killed, a few days ago. She was residing in Chicago where she was a stenographer. Going into a room in the house in which she resided she found a burglar and intercepted his escape. He drew a revolver and told her if she did not let him go he would kill her. She insisted on detaining him, however, and he shot her, the ball passing through the heart. Miss Reese had an experience with a burglar before and had said she would not let another one escape. Consequently she grappled bravely with this one and struggled with him until he shot her. The burglar escaped. Miss Reese was a particularly bright young lady of twenty-five years old and some ten years ago was a favorite in the college here and in the city.—York Times.

Application was made before the county insanity board last Saturday on behalf of Gottlieb Hunzeker, who lives near DuBois for admission to the hospital for the insane on the grounds of excessive indulgence in intoxicants. The board decided the case did not come within the purview of the dipsomaniac law and the application was denied.—Pawnee Republican.

Eriday while Mrs. Jas. Shively was doing her usual work in the kitchen she had her little 8 month old in a high chair sitting by the stove, one of the other children pushed the chair over, throwing the baby on the hot stove, burning her on the face neck and both hands in a very serious manner. Dr. Shook was called and dressed the burns and made the little one as comfortable as possible. The burn on the neck is the most serious and may leave a bad scar. James is surely having his share of bad luck this fall.—Shubert Citizen.

Peru Normal School Notes.

Two games of foot ball between the Normal Team and Falls City business college team were scheduled but owing to a dispute between management of the team these games were called off.

The Normal Band will give several numbers on the program of the State Teacher's Association to be held in Lincoln during the Christmas holidays.

The Department of Elocution gave a recital Monday evening Nov. 20, Miss Wilma Cline of Falls City gave one of the readings.

The interesting game of foot ball was seen on the Normal gridiron last Saturday November 20 between the Normal team and second State University team. The University boys won by score of 9 to 0.

Prof. Crabtree says "We are unable to fill the increasing demands for trained teachers last Wednesday ten requests were received for teachers. The school regrets that there are none to recommend for these positions those having finished the course have secured positions some time ago."

The enlarged library is proving inadequate for the number of students. All are looking forward to the time when the new library will be completed.

The second girls basket ball team defeated the Auburn High school team 22 to 8. There is some talk of a game with the girls basket ball team of Falls City High school.

Rosco James of Stella will be one of the participants in the first Inter Society debate between the Ciceronian and Athenian debating societies.

E. H. Kein of Dawson played left guard on the second Normal foot ball team against Nebraska City High school team.

Roy Smith of Salem is president of the Athletic Association of the Normal. The Association now numbers nearly three hundred members.

School closes Wednesday evening for a two days Thanksgiving vacation. The usual work begins next Monday.

Your Dollar--

If brought to this market will cover more good quality in the way of meats than at any other shop in town. Remember a dollar that isn't working all the time isn't well. What we all want to do is to keep up the circulation of the dollar. When your dollar gets into this market, it doesn't have to take off its coat and get all out of breath climbing after things. Our meats are priced "way down".

Our Proposition--

is to sell you better meat for less money than you'll pay elsewhere. We sell only the kind of meat that will make friends. Don't you want to test our friendship. We handle hides and furs.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of grippe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopping up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by Kerr's drug store.

A Certain Cure for Croup.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Give it and a quick cure is sure to follow. Mr. M. E. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief."
