 We especially call the attention of our readers to the article written by Geo. W. Holland in reply to the defense of the railroads written by Ex-Senator Manderson. Mr. Holland completely destroys the position taken by Manderson and gives the tax-dodgers something to think about.
 Make your Christmas a season of gladness by helping some unfortunate. Forget for one day that you hate your neighbor, smother your envy of another's success, try to think and act like a man and see how much better you feel—how much brighter the world will be.
 That love laughs at locks smiths is shown by an incident related of a family not a thousand miles from here. A fond mother wished to discourage the attentions of her daughter's suitor and hit on the expedient of having little brother remain in the room with sister and her steady. About ten o'clock the kid came out and reported, "What did they do?" asked the lady. "Oh we played blind man's bluff and I was 'it all the time,'" replied the boy.
 The ladies of the several women clubs recently divided the city into districts to be canvassed in the interest of the library. The object was to enlarge the circulation of the books and encourage the reading of good literature among the people. The result of this labor was marked and immediate. Miss Morton reports that the hours of the library are now all busy hours and that the books taken out sometimes reach as high as fifty a day. It is a splendid habit of these ladies will be of great good to
