Convinced that the time has the creameries have instituted a represented by a few annual system of testing the cream sent pass holders. Not to exceed them by dairymen as to its condit- fifty per cent of the delegates ion as well as to the proportion of selected actually attended the butter fat. For the better grades state convention. I have before of cream a higher price is being me a list of twenty-five counties paid, while the poorer quality br. that were casting a total of 272 grade. This difference in price will have a tendency to induce the farmer to improve the quality of his cream, and only careful attention to the process of separation can bring this desired result. Better cream is to mean better to the latter it will also mean a better average price for his product. Butter making has become wealth of the state.

The state convention of Nebraska Dairymen's Association is to operating cream separators doubtless will claim more attention than any other phase of the problem of making butter confronting the convention, Evening News.

Pneumonia And La Grippe. of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or treatment in time. Nothing is so well inc. adapted to ward off fatal lung troubles as Foley's Honey and Tar. For sale at Moore's Pharmacy.

Liucoln Letter.

Lincoln, Jan, 15, (Special The unprecented growth of the | Correspondence) - The question dairy and cream separating in is asked, "How can the machine dustry in recent years, admittedly force a nomination in this state adding immensely to the wealth of when ninety per cent of the the state, has not been attended voters are opposed to the candi-
