SEVENTH ANNUAL -=HOUSE-KEEPERS SALE!==

FEBRUARY 5 TO 24.190 V. G. LYFORD, Falls City, Nebraska.

MONEY SAVING SEASON Α

This Annul Sale of the most common necessities in the house, has come to be an economical event that attracts every house-keeper in this vicinity. This year we are at an unusual disadvantage because of the extraordinary advance that has taken place on all heavy cotton goods. While the prices named on the items herein quoted are much above the quotations of a year ago, they are really quite as low, considering the present market cost. Many of these items were bought before the late advance and are now offered at less than present value. We make a general cut on the prices of these domestic fabrics but once a year.

This Sale is your Money Saving Opportunity and comes at the time when these goods are needed by every woman and every household. Go over the list carefully, place your orders early, for every item is needed. The quantities on hand are large but the most attractive will be closed out early in the sale and cannot be duplicated. Special prices during this sale are made on Muslins, Sheetings, Shirtings, Tickings, India Linens, Ginghams, Flanneletts Outings, Sheets, Pillow Cases, Teble Linens, Embroideries, Muslin Underwear, &c. Closing Out Prices are made on all winter lines.
