The city campaign is warming up and W. S. Leyda is spending his time explaining why a man should run for Mayor the sixth time.

We noticed F. W. Cleveland & Son's display ad in the Nebraska City paper last week. No wonder he always enjoys an extensive trade.

The lettuce and radishes we planted have been covered with snow so many times that they won't have to be served in cracked ice when they grow—if they grow.

E. Bode & Sons keep up with the times and have the best on the market. They have the Ladies Home Journal Patterns, which in style, fit and simplicity lead the world.

Bring old glasses to Dr. Beaumont March 20 and 21 and exchange for any he may find better for you. No cost if he has fitted you and only little expense if others have furnished old lenses. One fourth of the eye glass wearing men in St. Joe territory are his customers.

Knock the knocker. If he must announce his pessimistic predictions make him talk to himself. If a few Falls City men would change their street corner addresses into monologues it would be better for the town.

Bring old glasses to Dr. Beaumont March 20 and 21 and exchange for any he may find better for you. No cost if he has fitted you and only little expense if others have furnished old lenses. One fourth of the eye glass wearing men in St. Joe territory are his customers.
