## You Will Prosper in the Great Southwest

In Oklahoma, Indian Territory and Texas are vast areas of unimproved land—land not now yielding the crops of which it is capable. The same conditions apply to the towns. Few lines of business are adequately represented. There are openings of all sorts—for mills and factories, for small stores, for banks, newspaper and lumber yards. You have only to get on the ground to prove this. To enable you to do so the Missouri, Kansas and Texas railway offer

### Rates Cheaper Than Ever

Feb. 6th and 20th  
March 6th and 20th

On above dates most lines will sell both one-way and round trip tickets at exceptionally low rates. If your nearest railroad agent cannot give you the rates, write me for particulars.

If you're in any way interested in the Southwest, I'd like to send you my paper "The Coming Country." Address

## Irrigated Lands A Sure Thing!

Special Homeseekers' Rates:—On February 6th and March 6th and 20th the Burlington makes very low excursion rates to the Big Horn Basin, the North Platte Valley and Eastern Colorado.

Keep Ahead of the Movement:—The Government work is under full headway towards putting water on two hundred thousand acres of land adjacent to the Burlington road, at an average cost of \$25.00. It is possible today to secure homestead lands along these great ditches, in advance of the water. You can also buy from private concerns, very fine irrigated lands, under a fall and permanent water supply, at prices ranging \$25.00 to \$40.00 an acre. The history of western irrigated lands shows that their value has increased over one hundred per cent in the past few years. There are areas of irrigated lands in the west that cannot be bought today for \$300.00 an acre.

It Will Pay You to get interested in irrigated land, and to get in touch with the land agents in the North Platte Valley, the Big Horn Basin, the Billings, Montana district or Eastern Colorado. If you will write me for irrigation literature descriptive of any of these localities, I will mail it to you free, together with a list of land agents.
