Cleaning Up Sale!

People not in the mercantile business have but faint conception of the enormous amount of goods which accumulate in a store, that are odd, short length or for some reason undesirable. The SPECIAL SALES that are being held throughout the country are planned for the most part for the purpose of getting rid of this class of merchandise. It has been our policy not to wait until these old, odd and not wanted stocks accumulated to a large amount, but to force it out each season. We now offer a large variety of articles that come under this classification at prices so much below regular cost, that you will be doing yourself an injustice if you fail to look through our store. You will doubtless find some articles which will fit your immediate wants at a substantial saving. We have the best reason in the world for making great reductions, viz: we wish to get rid of the goods we offer. You will find bargains in Carpets, Rugs, Matting, Curtains, Shades, Skirts, Spring Jackets, Rain Coats, Ladies' Suits, Shirt Waists, Dress Goods, Silks, Summer Wash Goods, Muslins, Sheetings, Calicoes, Muslin Wear, Knit Underwear, Hosiery, Corsets, Ribbons, Neckwear, Shirts, Umbrellas, Parasols, Belts, Bags, Purses. First comers will get the plums.
