You Will Prosper in the Great Southwest

In Oklahoma, Indian Territory and Texas are vast areas of unimproved land—land not now yielding the crops of which it is capable. The same conditions apply to the towns. Few lines of business are adequately represented. There are openings of all sorts—for mills and factories, for small stores, for banks, newspaper and lumber yards. You have only to get on the ground to prove this. To enable you to do so the Missouri, Kansas and Texas railway offer

Rates Cheaper Than Ever

Feb. 6th and 20th

March 6th and 20th

On above dates most lines will sell both one-way and round trip tickets at exceptionally low rates. If your nearest railroad agent cannot give you the rates, write me for particulars.

If you're in any way interested in the Southwest, I'd like to send you my paper "The Coming Country." Address

Priceless Collection.

The Great Adam Forepaugh and Sells Brothers' Enormous Shows United, which are to exhibit here Tuesday, July 10, illustrate the highest development of the modern circus. A combination of two of the greatest amusement enterprises known to circus history, and the ownership of the most successful circus managers in the world today, have produced this result. Twelve acres of space are necessary for the numerous tents, and the canvas under which the circus program proper takes place, will comfortably accommodate twelve thousand people. In this huge area, besides the great stretches of rising seats for the multitude, are a forest of aerial "fixings" for the daring work of trapeze performers, two great stages for the variety of gymnastic and vaudeville sensations imported from European capitals; three rings for the never-quickening specialties of circus riding, and a quarter of a mile racing track for the hippodrome features of ancient glory.

The menagerie annex offers the most complete and valuable wild animal collection ever offered for public inspection.

It is a veritable library on natural history, affording a wonderful opportunity for inspecting at close range the rarest of wild animal nature. Huge dens, tanks, pens and cages are grouped in classes for a convenient and helpful study of the individual and general characteristics of this priceless collection.

Makes Homely Women Pretty.

No woman no matter how regular her features may be can be called pretty if her complexion is bad. Orino Laxative Fruit Syrup aids digestion and clears sallow blotched complexions by stimulating the liver and bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Remember the name ORINO and refuse to accept any substitute. For sale at Moore's Pharmacy.

Worth While.

To study the world is better than to shun it.

Praises is honest—sometimes; flattery never is.

It's a poor rule that isn't good for one more lick.

What God chooses is better than what we choose.

Every woman owes it to herself to be good-looking.

The man who is not content with little is content with nothing.

In books we have the thoughts of the ablest men in their best dress.

When a man makes a fool of himself it is a sign that he is human.

To be bright and happy often requires an effort—make the effort.

The more you try to please some people the greater will be your failure.

Remember, young man, it is far easier to find a wife than it is to lose her.

A great many people spend much of their lives in making the rest miserable.

Our teachers should teach the duty of happiness, as well as the happiness of duty.

When a man prays one day and steals six, God thunders and the Devil laughs.

There is usually but one end to a woman's line of talk—and that is the beginning.

A hard head is apt to be dull without the bright eyes of love.

The wealth of true love will cure the love of wealth.

He who fears to leave traditions cannot find truth.

Faith is food as well as medicine.

Struggle is the school of strength.

The life that is written in blue ink does not turn to a permanent color.
