

# THE FALLS CITY TRIBUNE.

Vol. III

FALLS CITY, NEBRASKA, FRIDAY, JULY 20, 1906.

Whole No. 132

## Floater Found.

Starting on a little fishing trip last Friday, on the northwest part of the Bilby ranch, Wm. Ehrlich was attracted to the bank of the Missouri river by the peculiar actions and whines of his dog. Arriving close to the water's edge, he found the remains of a man. He immediately went to Fargo and telephoned to coroner, Dr. Reneker, who accompanied by Sheriff Fenton, drove to the scene at once.

A jury was impanelled and the verdict given was "cause of death unknown."

Dogs had torn the head into pieces, one jaw bone being in one place and the other in another. The evidence at hand would show that the body had been in the water for some six or seven months, there being no flesh whatever on the bones. The skeleton was clad in a heavy suit, had on a dark blue woolen shirt, top coat and a duck coat; also a pair of overalls on over the heavy suit. Six dollars and fifty-two cents was found in the pockets, but aside from a silver watch, there was no evidence to serve as a means of identification. It had formerly been a very good watch but was ruined by the water.

Following is given a description of the watch hoping that some clew will be gained concerning the identity of its wearer. The private number was 1085. The case was a crown silverode No. 168123, Hamilton works, 17 jeweled, adjusted, double sunk dial, movement No. 154737. There wasn't even a key ring, card nor letter in the coat pockets and not a very extensive search could be made to locate his name or home. The remains were brought to his city and buried here Saturday morning.

## Peaches and Cream.

Our old friend, Supervisor Chas. Zoeller is equally as good a fruit grower as he is an official.

The public vouched for his commendable official acts, by his large majority at the last election, while The Tribune force will vouch for the former.

Last Friday morning he brought us up from Preston a large box of some of the finest peaches of the season. We didn't keep any on file, but thank our friend for remembering the printers. We missed mentioning the fact that Chas. forgot the cream.

## Commissioners Meet.

The county commissioners closed their session last Saturday. They allowed in bills, the sum of \$2,915.30.

The board also purchased a new adding machine for the use of the county officers, which will be a great help and convenience at the court house.

The board also made a settlement of the fees of county officers.

The fees collected for the first six months of the year are as follows:

Clerk Hutchins	85.75
District clerk Loree	826.66
Judge Gagnon	587.15
Register Edwards	921.00
Sheriff Fenton	520.10
Superintendent Oliver	127.47
Treasurer Lord	129216.80

The last amount was collections.

The county board will again convene August 2nd.

## Game at Humboldt.

Four of the Colts and five of the younger ball players went to Humboldt last Friday and crossed bats with the base ball nine. Score stood 7 to 0 in favor of Humboldt.

## Eleventh Annual Reunion.

An extremely pleasant affair happened last Thursday July 12th at the home of Wm. Zoeller South east of this city, it being the eleventh annual reunion of the Karl Friedrich Daeschner, S. e. n., Ancestral League. There are seventy-seven members of the league and they meet in a reunion once every year, this being the eleventh anniversary.

There were forty-six of the members present on this occasion, making a large and pleasant house-party. From 10 to 12 o'clock a. m. the program consisted of original songs, recitations, historical sketches, and the reading of letters from absent ones.

Of all the pleasant ways of meeting loved ones and those of kith and kin, we think this League to be the most pleasant and congenial of any.

At 12 o'clock a sumptuous dinner was served, which for variety, plenty and appetizing dishes was perfection.

The afternoon was spent in games of various kinds, one of the most interesting events being a game of base ball between the Uncles and the Nephews. Game resulted in a score of 17 to 11 in favor of the latter participants.

Members of the League present from outside the state were Frank Daeschner and family of Hiawatha, Kansas; Henry Schirmer, wife, Clarence, Edward and Kate of Holton, Kansas; Prof. August Daeschner, wife and son Harold, of Del Norte, Col.; and Mr. and Mrs. Gideon Daeschner, Darrow, Okla.

One of the most interesting features of the reunion was a surprise, being the announcement of the marriage of Gideon, the youngest son of the Daeschner family, to Miss Agnes Rother of Los Angeles, California.

The bride came from her western home and met the groom at El Paso, Texas where the ceremony was performed in the First M. E. Church Sunday, July the 8th, 1906.

The couple came direct to Reserve, Kansas last Wednesday and from there drove to the Zoeller home Thursday morning, arriving a few minutes before the program began. Gideon had told but two members of the League of the intended surprise, they being his mother, and Ang. Daeschner the historian; to the remainder it was a complete surprise.

The bride is a charming young lady having a large circle of friends at her home city, while the groom is the enterprising editor and proprietor of the Darrow Press published at Darrow, Oklahoma.

We wish Mr. and Mrs. Gideon Daeschner smooth sailing on life's sea, and when storms come, we wish them a sheltered harbor.

The young couple will be at home to their friends after July 24th at Darrow, Oklahoma.

## Dislocated Knee.

While running from first to second base during the ball game at Humboldt last Friday Thomas Glines sustained a severe injury. The plate on his shoe caught on some obstacle, throwing Tommy, and giving him a severe sprained and dislocated knee. The doctors encased it in plaster paris there to enable him to be brought to this city, when Dr. Hays was called and straightened everything all well and good. Under his efficient care Tom will be able to resume his position in a few weeks.

## Meeting of the Central Committee.

The Republican County Central Committee met in the office of Cleaver & Sebald in Falls City on Monday afternoon of the 16th, a large number of the committee being present.

W. E. Dorrington, Chairman of the Committee called the meeting to order and presided during its deliberations, while J. L. Cleaver, the committee Secretary acted as Secretary of the meeting.

The meeting was perfectly harmonious, and the business for which they came together was soon transacted, viz: the calling of the County Convention.

The next Republican County Convention in this county will be held at the Court House in Falls City on Monday August 6, 1906 at 2 o'clock p. m. and the primaries will be held on Saturday August 4 1906.

The convention will nominate three representatives for the state legislature and one county attorney, and select delegates to the State, Congressional, Judicial and Senatorial conventions to be held in August.

There will be two hundred and fifty-seven delegates in the convention apportioned among the several precincts according to the call printed elsewhere in this paper.

A canvass of the committee-men present showed they were unanimous in favor of the precincts and convention endorsing and instructing for Brown for Senator and Sheldon for Governor, and that the sentiment in their precincts was universally favorable to these gentlemen.

## Lost His Toe.

Peter Kaiser while trimming an ingrown toe nail one day last week, let the sharp knife slip, thus cutting in too deep. The toe became so bad that it was found necessary to amputate it last Friday. Mr. Kaiser has been laid up ever since, but will be able to resume his work in a few days.

## Small Scratch Causes Death.

Mrs. Peter Resterer received word last week of the death of her nephew at Oklahoma and left Saturday for that place. Blood poisoning was the cause of the little one's demise.

On the Fourth he had been playing with a toy pistol, shooting off caps, and the trigger accidentally snapped down making a tiny cut in the flesh between the thumb and fore finger. Although the injury was slight he was taken to the doctor and had it attended too.

This precaution proved unavailing and ten days later he died from lock-jaw.

## Some Fine Fruit.

D. W. Sowles brought over some of the most perfect specimens of winter apples on Tuesday morning that we have seen this season. Among them were Mammoth Black Twig, Missouri Pippin, Ben Davis and Gano samples and each and every one, was very solid, the skin smooth and free from blemishes while worm holes were conspicuous by their absence.

These apples were gathered at random from the Boone orchard consisting of 52 acres, located nine miles south west of this city and from present indications will yield 4000 bushels as this years crop. There are 4400 trees in the orchard and the Power Sprayer has been used all during this season, which accounts for the fine quality and large size of the apples.

## The Salem Chautauqua.

The dates of the Twelfth annual assembly of the Salem Interstate Chautauqua are July 28 to August 5, inclusive. As usual the gate opening on the evening of July 28 will be free.

The demand for tents at the Salem chautauqua is increasing daily. It will be well to send in your order at once that you may be assured of a good location. Address, Allan D. May, Secretary, Salem Neb.

The farmers are to have a day of their own at the Salem chautauqua, Friday, August 3, having been set aside for that purpose. The principal address on that day will be delivered by Prof. A. E. Davisson of the Nebraska school of agriculture.

All fraternal orders will be represented on Fraternal day at the Salem chautauqua, Thursday August 2. Prominent speakers will be present representing each order.

Supt. McBrien will deliver an address at the Salem chautauqua on Educational day, Wednesday August 1.

Gov. Bob Taylor who has just been chosen United States senator from Tennessee will speak at the Salem chautauqua on Tuesday, July 31. Gov. Taylor is a great orator and one of the prominent men in national politics.

The Salem Chautauqua program this year is one of exceptional merit and is as varied as such a program could well be.

Those who enjoy good moving pictures will find special delight in the evening program for the Salem chautauqua. D. W. Robertson and Rev. Holley will give the most up-to-date moving picture program.

The musical features of the Salem chautauqua program include such attractions as the Sterling Jubilee Singers, the Royal male quartet, the Merchants band and the Overland orchestra besides the grand chautauqua chorus. There will be music to suit the tastes of all.

## Medical Association Meets.

The Medical Association of Richardson county met at the Park Hotel at Humboldt, on Tuesday afternoon of this week. It was one of the most pleasant and interesting the association has yet enjoyed.

Several excellent papers were read, while the discussions were particularly animated and full of interest.

After business affairs had been concluded those present enjoyed a social session.

An elegant banquet ended the very pleasant meeting.

Several of our local physicians were in attendance.

## Card of Thanks.

We desire to tender our thanks to our friends for their many acts of kindness and love during the sickness and death of our beloved son and husband. In the hour of sorrow and bereavement the bond of friendship lightens the dark path.

JOHN HINTON.

MRS. GEORGE HINTON.

## For Sale.

I have some household furniture that I want to dispose of at private sale, between now and July 24th, viz: Refrigerator, gasoline stove, chairs, extension table, beds, two bedroom suits, bureaus with fine mirrors, and sundry other household goods, all in good condition. Whoever may want better call soon and select.

DR. GEO. H. PARSELL,

Falls City, Nebr.

Two blocks north of Union house.

## Worth While.

Little Willie found a bee.  
He put it in his pocket.  
Next thing happened little Bill  
Shot up just like a rocket.

Don't try to see how much you can do in a day, but how well you can do it.

While "virtue is its own reward" yet there are many who think the reward too small, as a result, they go to the devil.

The man who sends the weather doesn't have any harder time trying to please than the women who cook for a large family.

Every old maid knows exactly how to rear children. Every old bachelor knows all about the troubles on the matrimonial sea. Every subscriber knows how to run a newspaper. Every farmer knows how merchants should sell goods, and every merchant can see where the farmer could make more money on the farm, but after all there are rough places in the road that you will never discover until you get hold of the lines and try to drive.

Be as kind as possible to your friends; agreeable to your acquaintances, and let your enemies alone.

The bluffer always plays his strongest card first.

If you are suspicious of others you'll find that there are others suspicious of you.

It keeps one busy dodging the trouble wagon.

Do not retire late at night and rise at daybreak and imagine that every hour taken from sleep is an hour gained.

One can't estimate the amount of moral courage a man has by his physical dimensions.

An apology is a poor excuse at best.

All the loveliness of the wedding ceremony is centered in the bride and the roses that she wears. The groom is only tolerated because it takes two to make a contract.

Wonder why it is that bachelors always pose as the best judges of home cooking?

The ardent lover who compares his sweetheart's complexion to peaches and cream probably knows little about the cost of either.

Every man has a right to his opinion and an equal right to express it. This does not necessarily mean that he can insult every one who believes differently.

Men who are prejudiced against mothers-in-law should remember that if it wasn't for those same mothers-in-law they wouldn't have the dearest wives in the world.

Catch a man in a lie and he will say that he told it just to see whether you would believe it or not.

## An Able Article.

In the current issue of THE MONIST, a philosophical publication published in Chicago, appears a splendid contribution on Space, Time and Existence, from the pen of David Abbott of Omaha. The writer has read the article with pleasure and profit. It shows deep study and research and is convincing of the fact that Mr. Abbott is possessed of a mind of unusual acuteness. Dave has been prosecuting his studies along scientific and philosophical lines for several years and this production indicates clearly the great advance he has made.

## Society News.

The Sunday school class of Mrs. Nickolson numbering sixteen girls, very pleasantly surprised her on Friday evening of last week. They drove to her home and found her out feeding the chickens. Her husband called her to the house to answer a pretended telephone call and the girls took possession of her, giving a complete surprise. A generous supply of Sowle's Best had been brought along, and added to the many other pleasures.

Miss Maud Graham entertained a number of young ladies on Thursday afternoon. The affair was quite a novel one being a kimona party. The invitations were quite clever and original.

Albert Maust and wife entertained a number of guests last evening at a card party complimentary to Mr. Walter Edwards of Kansas City.

Anita Wilson was hostess to the members of the H. S. M. C. on Friday evening of the past week.

The Misses Lyford entertained at a Kensington on Monday afternoon in honor of Bessie Alexander of York, Nebraska. Refreshments added to the afternoon's pleasures.

The Junior League of the M. E. church enjoyed a social in the church basement on Tuesday evening.

Lucile Metz was hostess to several young ladies at a 6 o'clock dinner on Wednesday of this week. The function was in honor of Bessie Alexander of York, who is the guest of Falls City friends. An elegant course dinner was served.

Mrs. Albert Maust made Thursday afternoon one of pleasure to the Young Married Ladies Kensington Club, being hostess on this occasion.

Twenty young ladies gave a dance in the Wahl hall on Tuesday evening. It was a decidedly novel affair, no gentleman's name being included on the invitation list. It was one of the most pleasant of the mid-summer's events and as a fittingly climax the entire crowd visited Sowle's ice-cream parlors thus paying tribute to their excellent ices and creams.

The M. E. Kensington was very pleasantly entertained by Mrs. Farrington, Miss Mattie Schock and Miss Pearl Hanna at the home of the former. The heat of the afternoon was forgotten when one entered the happy company assembled. Delicious refreshments were served.

Dorothy Miller entertained the K. K. club girls on Wednesday afternoon complimentary to Miss Edna Reimers of Stella.

## Council Meets.

The council room was occupied by the dads on Monday evening. The sidewalk question was considered, this subject taking up the entire evening. Several propositions were made concerning the laying of new walks to the depot. Council then adjourned to meet Friday evening, July 27.

## Pioneer Picnic.

Some of the attractions at the Pioneer picnic at Verdon, July 25 and 26 will be: Three daily performances by a band of Indians, a gold medal contest by six young ladies of the county, athletic games and contests, and fine music by band and voice.
