Opening of the Shoshone Reservation:—Register at Worland for the Government drawing entitling you to draw 150 acres of fine irrigable lands in the Shoshone Reservation; only \$1.50 an acre, one-third cash, 400,000 acres, or 2500 farms, to be drawn for; besides this there are 800,000 acres of lumber and mineral lands that may be taken in the usual way; some of these lands are supposed to be of great value. One fare for the round trip to Worland, with maximum of \$20.00 from Omaha, Lincoln and Nebraska points. Tickets sold July 12th to 29th, final limit August 15th. Take this grand trip through the rich irrigated lands of the Big Horn Basin. This will be one of the greatest events in the history of the distribution of Uncle Sam's domain.

To Pacific Coast:—Daily low excursion rates for this the greatest railroad journey in the world.

To Colorado and Return:—About half rates. Still lower rates for the Elk's great meeting at Denver July 10th to 15th inclusive.

Also daily low rates to Eastern resorts; frequent homeseeker's excursions, in fact tempting excursion rates in all directions throughout the Summer.

The Great Paper of the Great West The Kansas City Star

Everywhere recognized as the strongest and most reliable newspaper in the most prosperous region of the United States.

Wherein It Leads.

Its Unexcelled News Service embraces the continuous report of the Associated Press, with dispatches every hour; the general and special service of the New York Herald; the Hearst transcontinental leased wire service and special correspondence from THE STAR's own representatives in Washington, D. C.; Jefferson City, Mo.; Topeka, Ks., and Guthrie, Ok., in addition to the large gist of news that comes daily from several hundred other alert representatives.

Its Market Reports and Comments have an authoritative value that causes them to be telegraphed to all parts of the United States the moment THE STAR comes from the press. No western man even indirectly interested in the value of food products, stocks and securities can afford to be without THE STAR's daily record of prices and conditions.

Its Special Features include The Chaperon's column, in which are answered questions pertaining to beauty aids and social customs and affairs, a department for inquirers on other subjects and a wide range of miscellaneous articles throwing side lights upon the world's most interesting people and events—these in addition to a vigorous editorial page, absolutely independent politically, and a Sunday issue that is full of live special matter and human interest.

13 Papers Each week for 10 cents

The Kansas City Star was the first—and is still the only newspaper to deliver a complete morning paper, THE KANSAS CITY TIMES, to its subscribers without increase in the subscription price.
