

OPPORTUNITY!

Now is the time for you to see the wonderful grain producing country in Finney and Kearney county, Kansas, in the irrigated district of the famous Arkansas Valley, where wheat yielded from 40 to 67 bushels to the acre and oats from 80 to 100 bushels. Call at our office and let us show you a sample of the wheat raised on George Holland's land, near Garden City, it will surprise you. It is a country that produces abundant yields of wheat, oats, barley, alfalfa, sugar cane, sweet potatoes, sugar beets, fruits and garden stuff of all kinds.

IS KNOCKING AT

The soil is rich, black sandy loam, 10 to 15 feet deep and cannot be exhausted and is never fertilized. It will grow anything that grows here and more of it. The climate is perfect the sunshine nearly perpetual. The ideal place for persons affected with bronchial trouble.

YOUR DOOR

The lands in this valley are yet within the reach of all, but the acreage is limited. Now is the time for you to act. Come with us on our next excursion and let us show you this wonderful country. Be convinced that we have told you the truth.

Our next Excursion---August 7, 21. Twice each month.

1,100,000 Acres of Agricultural, Mineral and Timber Land Almost Free

OPENING OF THE SHOSHONE RESERVATION
This Reservation to be opened for settlement August 15th is directly reached by the Burlington's new line to Worland, Wyo., through the Big Horn Basin. Registration between July 16th to 31st; 400,000 acres of fine irrigable lands to be drawn for and acquired at only \$1.50 per acre, one-third cash, 700,000 acres of mineral and timber lands to be taken up without drawing. This is a most bountiful distribution of Uncle Sam's land among the people. Cheap excursion rates; only one fare for the round trip to Worland, with a maximum of but \$20.00 from Omaha, Lincoln, Denver and Nebraska territory. Register at Worland and go over the Burlington's Northwest line, which runs through thousands of acres of finely irrigated land along the Big Horn River; the journey will be instructive as to the methods of irrigation to be practiced in the development of this new section.

Dates of Sales:—July 12th to 29th. Final limit August 15th; stop-overs enroute.
Consult nearest ticket agent for rates and descriptive Shoshone folder with map, description of lands, methods of drawings, etc.
Two daily through trains from the Southeast to Worland during the registration.

The Newspaper with the big circulation. Enough said.

FULL INVESTIGATION IS INVITED

The Great Paper of the Great West

The Kansas City Star

Everywhere recognized as the strongest and most reliable newspaper in the most prosperous region of the United States.

Wherein It Leads.

Its Unexcelled News Service embraces the continuous report of the Associated Press, with dispatches every hour; the general and special service of the New York Herald; the Hearst transcontinental leased wire service and special correspondence from THE STAR's own representatives in Washington, D. C.; Jefferson City, Mo.; Topeka, Ks., and Guthrie, Ok., in addition to the large girth of news that comes daily from several hundred other alert representatives.

Its Market Reports and Comments have an authoritative value that causes them to be telegraphed to all parts of the United States the moment THE STAR comes from the press. No western man even indirectly interested in the value of food products, stocks and securities can afford to be without THE STAR's daily record of prices and conditions.

Its Special Features include The Chaperon's column, in which are answered questions pertaining to beauty aids and social customs and affairs, a department for inquirers on other subjects and a wide range of miscellaneous articles throwing side lights upon the world's most interesting people and events—these in addition to a vigorous editorial page, absolutely independent politically, and a Sunday issue that is full of live special matter and human interest.

13 Papers Each week for 10 cents

The Kansas City Star was the first—and is still the only newspaper to deliver a complete morning paper, THE KANSAS CITY TIMES, to its subscribers without increase in the subscription price.

Save All Your Cream

U. S. Cream Separator is biggest money maker—gets more cream than any other. Holds WORLD'S RECORD for clean skimming. Cream represents cash—you waste cream every day if you are not using a

U. S. Cream Separator.

Has only 2 parts inside bowl—easily and quickly washed. Low supply tank—easy to pour milk into—see picture. All working parts enclosed, keeping out dirt and protecting the operator. Many other exclusive advantages. Call and see a U. S. For sale by
