What will it profit a party to talk against grafting and nominate a grafter?

The question for Richardson county republicans to answer is not one of expediency but one of principle. Richardson county should do what it thinks to be right without regard to the action of any other county.

Will some of Pollard's shouters stop talking precedent long enough to give us their views on the morality of taking \$1900, for services never performed? It isn't a question of precedent, the sole question is as to the morality of such conduct.

I am a farmer says Pollard and not a lawyer, therefore I didn't know any better. These are not his exact words but the substance is the same. The Tribune will bet a years subscription that as a class the farmers are as well if not better read than most lawyers.

The Falls City correspondent to the state Journal says that the cities in this county will send delegations against Pollard but that the farmers will send delegations for him. Does the correspondent think the farmers less particular about the honesty of servants than are their city brothers?

JUDGE JUSSEN FOR CONGRESS.

At the earnest solicitation of Hundreds of republicans in the First District Judge Paul Jessen of Nebraska City has become a candidate for congress. To those who know Judge Jessen this is welcome news for no better young man lives within the confines of Nebraska.

Judge Jessen is one of the remarkable young men of the state. He is entirely self made and his life has been a series of triumphs over difficulties. He first came into prominence during the celebrated senatorial campaign which resulted in the election of Judge Hayward. Jessen was an earnest supporter of Hayward and probably did as much to bring about his election as any one man connected with the contest.

He was nominated for district judge by the republicans seven years ago and was elected by an unprecedented majority. When he became a candidate for re-nomination three years ago the republicans of that district not only gave him a unanimous nomination, but when the democratic judicial convention was held that party likewise unanimously endorsed his candidacy. His service on the bench has been so admirable and so satisfactory to lawyers and litigants alike that when he was a candidate several years ago for Governor at the instance of those who were fighting railroad domination in the party, the counties of his district almost rebelled at the idea of his leaving the bench and for a time threatened to refuse him the delegations of the state convention.

Judge Jessen is one for whom no explanations need be made. The defense of precedent will never be made for him. His life has been of that strong, virile character that compels admiration and confidence. As a congressman he would be heard from in a way very pleasing to the district. A ticket made up of Norris Brown, George Sheldon and Paul Jussen would be the most powerful argument the republicans could make in support of their assertion that the party is fighting graft and grafters.

The republicans of Richardson county have two candidates to choose between, Ernest Pollard and Paul Jessen.

The duty of Richardson county republicans seems clear.

But one weekly republican paper in the district defends Pollard's salary grab. It is hardly necessary to name the Journal as that paper. There is every reason why the Journal should endorse a man for getting all the money possible out of the public.

WOULD IT NOT BE WELL FOR YOU TO KEEP YOUR HEAD COOL WHEN YOU GO TO BUY THINGS TO WEAR. IS IT NOT WELL TO DEAL DURING THESE "REDUCTION TIMES" WITH THE STORE THAT TRIES TO GIVE YOU GOOD VALUES ALL THE YEAR 'ROUND? REMEMBER IF YOU GET BIT IN BUYING THINGS TO WEAR THAT YOU MUST STAY BIT UNTIL YOU WEAR THEM OUT --OR GIVE THEM AWAY. EITHER IS EXPENSIVE. IS IT NOT EVEN BETTER TO GIVE AWAY UNSTYLISH GARMENTS THAN WEAR THEM? APPROPRIATE APPAREL MAKES THAT COMFORTABLE FEELING. LOTS OF "FAKING" IS DONE NOWADAYS BY ILLEGITIMATE STORES. LEGITIMATE STORES, HOWEVER, MAKE REAL REDUCTIONS NOW ON GOODS THEY CARRIED REGULARLY BUT WHICH THEY WISH TO CLOSE OUT BEFORE THE STYLECHANGES. WE HAVN'T A GREAT MANY SUMMER GOODS TO CLOSE OUT, OUR TRADE FOR THIS SEASON HAVING BEEN GOOD, SO WE CAN AFFORD TO MAKE LOW PRICES ON ALL WASH STUFF AND YOU HAD BETTER COME IN BEFORE YOUR LATE. BIG UNLOADING SALE CLOSES SATURDAY, AUG. 5.

The Wrong Surmising.

I see in a state paper that some correspondent has my name in a list of candidates who are asking for a nomination by the republican convention to be a member of the legislature next winter. I wish to say that I am not a candidate, have not been and will not be. All that I wish is that the republicans in convention will nominate men that it will make us feel good to support.

Yours truly,
HENRY PATTERSON.

LOWE BROS. PAINTS

Are pronounced the best by all who have used Ready Mixed Paint. Did it ever occur to you that you could save \$3 per day by doing your own work with a paint that you can get in any shade? Try Lowe's once and you will never use lead and oil with an experienced mixer that costs more than the material. It will last longer and look better.

We are headquarters for Lubricating Oils and our price is right. Let us figure with you on paint or oil.

J. C. TANNER

TO THE PUBLIC!

We don't want the earth with a fence around it, as we have material for fencing and are willing to save you the price of the nails to build it with if you will figure with us on contemplated improvements.

What we do want, is a fair portion of the Lumber trade that comes to this city, and if Low Prices and Business principles will merit it, we are on the ground floor.

If you will keep your eye upon this space from week to week we shall try and interest you in Lumber.
