The eleventh grade of the city schools were entertained at the home of Florence Hummel Thursday evening.

Lulu Hummel returned the past week from an extended visit with relatives at Savannah, Ill.

Guy Mummel and Arthur Stalder have returned to their homes in this locality after spending the summer and fall on their claims.

T. J. Hardy was severely bruised in a runaway Sunday morning, the team became frightened at some object along the roadside, the driver lost control of the horses, and both Mr. and Mrs. Hardy were thrown from the buggy. Mrs. Hardy escaped without injury.

Hugh Ruthford, died at his home in the north part of town Sunday afternoon, at the age of 58 years. He is survived by his wife, three sons and a daughter, Will and Ren Ruthford of Humboldt, and Wilson Ruthford of St. Joseph and Mrs. Sam Monesmith of Humboldt. Funeral services conducted by Rev. B. Wilson at the Christian church Tuesday afternoon. Burial was made in the Lynch cemetery south of town.

Catarrh of the nose and throat should lead you to at least ask us for a free trial box of Dr. Shoop's Catarrh Cure. Nothing so surely proves merit as a real, actual test—and Dr. Shoop, to prove this, earnestly desires that we let you make that test. This creamy, Snow White healing balm, soothes the throat and nostrils, and quickly purifies a foul and feverish breath. Call and investigate. For sale by all dealers.

VERDON.

Mrs. Amanda Corn and son Henry were Salem visitors last Wednesday afternoon.

The out of town guests were Misses Maud Davis, Louise Rule, Lelah Powell, Myrtle Hufnel, Edna DeWald and Messrs. Jean Cain, Louie Davison, Edward Potent and Chester McDowell of Falls City; Ray Sandrock of Norfolk and Will Kerr of Omaha.

Could You Use It?

If You Had a Little Engine

- That would respond to every call.
- That would give you plenty of power.
- That is simple and absolutely safe.
- That anybody could operate easily.
- That used gas, gasoline or alcohol.
- That was economical in the use of fuel.
- That was adapted to almost every farm duty.

I. H. C. Gasoline Engines.

They are the engines described above. You can get them either Upright, Horizontal or Portable—in sizes to suit your work, from 2 to 20 horse power. The people who are buying them know they are getting something dependable. They find their engines make profit for them—help them to do things the easy way. How about you? Count over your jobs of grinding, pumping, sawing, hoisting, churning, feed cutting, separating cream, etc. Then call on the International local agent or write for catalog.

Farm Science The best farmers' book ever published, treating all farm subjects in the most scientific and practical way. Mailed for three 2 cent stamps. Send for it today.
