

The Best Kind Of Man.

The best man we have in our town for general good of the town is the one you will always see on the front seat in the progressive "band wagon." He is the first one to extend an open hand to greet the stranger and welcome him to the best town in the state. He resents an insult to our town as quickly as he would a slur at a member of his family. He very politely invites the chronic croaker to "move on." He is ready to give his just proportion to every public enterprise. He talks up our town at home and abroad and believes it the best place upon the earth in which to live and desires to be buried here when he dies. Let us all try and be like this man for one year and our little city will take on new life and improve as never before in its history.—Pawnee Republican.

Knights And Ladies.

This Council met in regular session on last Tuesday evening. Eight applicants were elected to membership in the order. After the routine work was completed the officers vacated their chairs and the officers of the degree team took charge. It goes without saying that they did the work in their usual highly creditable manner. Among those deserving especial mention is Sister McDowell the 2nd vice president, acting president protem for the highly proficient manner in which she fills the chair. She has the work so completely at her command that she gives it from first to last without ever referring to the ritual and without any error whatever.

A party of K. and L. of S. from Falls City Council No. 610 visitors. Among those present were the following: Mrs. Nicholson Pres., Mesdames Hendricks, Brannum, Marts, McMahon, Parlier, Nausler, Mead and Stumbo and Messrs Hendricks, Parlier, Stumbo and Slagle and others. Many of them responded when called upon for remarks and expressed themselves as being highly pleased with their visit and highly complimented Salem Council No. 150 on the proficiency of their work. They also expressed the hope that this Council would return their visit in the near future.

Captain Snyder and the drill team also deserve especial mention for the pleasing manner in which they execute their work.

A new drill book has just been issued and Captain Snyder will soon be ready to have the team execute the commands in accordance with it.

At the conclusion of the work the ladies served one of their usual splendid luncheons which was highly enjoyed by all.

They adjourned to meet Wednesday April 17 at which time there will be a large number to instruct into the mysteries of the Order.—Salem Sentinel.

Beating The Railroad.

On the Burlington passenger one evening last week were five men, including Governor Mickey, sitting in the smoking room of the chair car. Each was on his way to Lincoln and each had purchased a ticket from St. Joe to Rulo. When the train left Rulo they all handed the fare from Rulo to Lincoln to the conductor at the rate of two cents a mile. The railroads complain that the two cent rate has not increased travel and that the only way they have of getting even is to change the present high class service and put on two cent accommodations. This is a bluff.

The Falls City Brute.

A Falls City brute whipped his dog with a buggy whip until the neighbors ran out and made him quit. And then the faithful dog followed his master anxious to please him, taking his awful beating as a matter of course. Isn't there some special hot stuff in hell for a man who is cruel to the dumb and helpless? Let us hope that there is.—Hiawatha World.

A Woman And A Jag.

If there is anything more horrifying than a drunken woman it has not been called to our attention. One of Humboldt's women paid us a short visit last week and while here accumulated a brain storm that was certainly the limit. Mr. Bentley, the chief of police, succeeded in getting her to the depot and headed for Humboldt, but, as he said when fixing his neck gear and taking the dents out of his hat, she was a regular Teddy bear so far as affectionate demonstrations were concerned.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Possibly, not one weak heart in a hundred is in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is also directed to these weak and wasting nerve centers. It builds up strength; it offers real, genuine heart help.

If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and without danger of forming a drug habit or having your stomach disarranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. (The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.)

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest case of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble as I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect they have upon the nerves."
MRS. E. L. KALIN, Detroit, Mich.
Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money, 25 doses, 25 cents. Never sold in bulk.
