**Gone Forever.**

Ten years ago a farmer put his initials on a dollar bill. The next day he went to the nearest town and spent it with a merchant. Before the year was out he got the dollar back. Four times in six years the dollar came back to him for produce and three times he heard of it in the pocket of his neighbors.

At the coming State Fair, the first week in September, there will be a new classification for County Collective Exhibits. The state has been divided into three districts, the Eastern being the west line of Knox, Pierce, Madison, Coffax, Butler, Seward, Saline and Jefferson counties. The Central being the counties lying west of said line and east of the west line of Boyd, Holt, Garfield, Custer, Dawson, Frontier and Red Willow counties and the Western being all the counties lying west of said lines.

Twenty-five Hundred Dollars is set apart for premiums. All exhibitions to participate in the premium money must score sixty per cent of the highest score in their particular district, by Ream Score Card. All exhibits scoring above sixty per cent, will participate equally in \$1410.00 (being 60 per cent of \$2350.00), and in \$940.00 pro rata, according to the number of points above the minimum.

In addition to above, \$50.00 will be awarded to each exhibit scoring the highest in its district. Lancaster county is allowed to exhibit under a handicap of 100 points. William James of Dorchester is Superintendent of this department.

If next Sunday be a pleasant day and the warmth of spring invites you to walk, just wander down on Chase street and see what a few enterprising men are doing towards giving Falls City a park. Of course there is much to do in the way of cleaning up, planting trees, sowing grass, arranging walks, drives etc. But just walk to the west slope of the hill side and get the view of the Nemaha valley with the fringe of trees on the other side and the purple hills where the sky and earth mark the horizon. Then picture to yourself what a beautiful place this park is to be in a few years and be not alone joyful but thankful as well that Falls City has few men who are not knockers.

The fashionable dinner party is no longer a mixture of the toy shop and conservatory. Tables are simply arranged and decorated. Fine white napery, candles lighted, service rare, and floral decorations of the choicest and fewest blooms, mark the season and bespeak the good houses. It was determined to call a halt on the vulgar rich and their lavish displays. Moreover, in London, where dinners are pronounced sad functions, and yet set the mode, very little champagne is being drunk. A bottle of champagne among each four guests is the standard with royalty, hence this average for a large dinner party is now generally maintained, as it is considered the worst form imaginable to expect more. Probably a reason dinner is so 'sad,' — Boston Herald.

## Heart Strength

Heart Strength, or Heart Weakness, means Nervous Strength, or Nervous Weakness—nothing more. Practically, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

## Keep Your Nerve

It is nerve energy that runs the organs of your body. The storage battery is the nerve cells in the brain and spinal cord, and from this battery nerve force is sent out through the system of nerves. To keep the body healthy you must have plenty of nerve force; if you have not, the organs work imperfectly, the circulation is sluggish, digestion bad, appetite poor, kidneys inactive, and aches, pains and misery are the penalty.

You can keep the system strong with Dr. Miles' Nerve. It assists in generating nerve energy; it strengthens the nerves and makes the whole system strong and vigorous. "I take pleasure in recommending Dr. Miles' Nerve to those suffering from nervous prostration, insomnia and melancholy. After several months suffering from above diseases I tried this medicine and found immediate relief. It soothes and strengthens the nerves, chases away the gloomy and depressing thoughts and gives the sufferer renewed strength and hope. It is a superb nerve restorative."
