The Flag Day picnic Friday last was celebrated in Fredrick's grove one mile north of town in honor of the anniversary of the birth of the Nation's flag. The Shubert Sunday school could not find conveyances enough so that many were obliged to be absent. The busy season kept many of the farmers at home while others spent only a half day in celebrating. The program was given in the afternoon. The speakers were J. Lee Dalby and others. There were recitations and music by the girls chorus from Barada. Considering the busy times the affair was well attended and the management is to be congratulated.

On Sunday evening, June 16th the Children's Day program was presented to a crowded house, even the doors, windows and yard were crowded with those who came to listen but found the church already filled. The children did not disappoint the expectant crowd each and every number was well rendered. The exercise given by the infant class consisting of sentence recitation and a song was a credit to the little ones. "The magic charm," given by representatives from each class in the school has received many favorable words of commendation and these were justly due the performers. "Victory through Christ," by thirteen boys showed that boys can do a great deal in the musical as well as literary line if they have help and encouragement. "Some Boys of the Bible," by a class of younger ones was also worthy of praise. "The Flower Girls," given by the girls from ten to twelve years of age met with perhaps the greatest approbation; the songs and speeches in this exercise were very pretty and most excellently rendered. The music furnished by the older classes was good and showed that much time had been spent in its preparation. Taken all in all the event was a success and a credit to the Sunday school and church.
