To the citizens of Falls City and vicinity:—The question is frequently asked, "Must I pay extra to attend the Kilties concerts if I have a season ticket?" I say positively, no! A season ticket admits the holder to all entertainments without extra charge. Buy your season tickets from the merchants and citizens that made the chautauqua possible by obligating themselves for the sale of seven hundred tickets. They will have to pay for them whether they dispose of them or not. So procure your tickets before going to the grounds, thereby protecting your home people. The large auditorium is completed and all seems favorable for a first class chautauqua. You are invited. Come.

JOHN LIGHTY,
Pres. Chautauqua Ass'n.
