

# Henry C. Smith LANDS & LOANS

## 240 Acre Farm Southeast of Hiawatha.

The farm is 1 1/2 miles of a good town of about 300 population on a railroad. Land consists of gently rolling up land with a small creek flowing through the east 80 acres entering near the northwest corner and going out about 60 rods north of the south line. There is some timber along this creek, string spring furnishing water for pasture which never has been known to run dry. About 60 acres are in cultivation now. About 40 acres are in clover and timothy meadow. 10 acres are in cattle and hog pasture fenced with Page fence, 15 acres cow pasture for milch cows, with shade and water. 4 acres in orchard. 1 acre in grapes, raspberries, blackberries and strawberries. Balance of land in building site and roads. The fences are nearly all as good as new—having been rebuilt within the past two years. Good grove on west and north of buildings furnishing shade for poultry in summer and storm protection in winter.

**BUILDINGS:**—Good 6 room house with cemented cellar under house. Barn for 10 horses and 60 cows with hay loft holding about 5 tons of hay and an implement shed adjoining. Cattle and hay shed 25x150 feet with board roof and room for 15 tons of hay. Hog house 12x40 feet board roof. Corn crib 12x92 feet, board roof and shed adjoining also board roof. 2 hen houses. Shop for small tools and work bench. Cemented water reservoir about 14 feet in diameter and 12 feet deep with under ground pipe to tank in feed lot. Two wells and wind mills supplying the reservoir with water. 5-ton wagon scales. Good terms, might take 80 acres as part pay—long time.
