A Souvenir Postal.

The Burlington, Ia., Gazette of August 31 has this to say of D. W. Ried of this city:

HOME-COMINGS

"A unique souvenir post card of the Home Coming has been put out to retailers by D. W. Ried. This card is a very catchy one and will prove a great advertisement of the event. Mr. Ried, a newspaper man, who is visiting his old home, noticed the absence of a souvenir postal typifying the event, and stepped into the breach with his customary enterprise and furnished the people of Burlington with a novel postal to mail to friends. It must be seen to be appreciated. Mr. Ried may be found at the Gazette office."
