Over From Last Week
The Shakespear club met Tuesday afternoon with Mrs. Charlie Hargrave, the first meeting of season. Macbeth is still the study and will occupy the attention of the club for four or five meetings yet. The meeting was of particular interest, each member having given the lesson special attention. This was the first meeting presided over by the new president, Mrs. Isham Reavis. A large number of the club were present and the session was very enjoyable.

The regular monthly business meeting of the M. E. Kensington was held with Mrs. Andrew Camern on Wednesday afternoon of last week. A large crowd was present.

The Womens Auxiliary of St. Thomss Episcopal Church was held with T. L. Himmelreich on Monday evening and an unusually large attendance was present. The subject for the evening was missionary work in Alaska. Miss Keeling, leader for the evening, had prepared maps and charts which were splendid helps to the evenings study. Very interesting papers were read by Miss Margurite Horricks, Mecker Cain, Edna Horricks, Miss Keeling and several other member and the discussions were revied and instructive. This was one of the best missionary meetings of the Auxiliary.

Thursday being the eighty first birthday anniversary of Uncle Jesse Crook his daughter, Mrs. Wilhite entertained Uncle Jesse and his wife and Mr. and Mrs. W. H. Crook at dinner. Needless to say it was a very pleasant family gathering and the dinner served was one of the tempting ones. Mrs. Wilhite is so capable of preparing. We wish Uncle Jesse mauy more happy anniversaries.

Mrs. Lydia Hinton gave a family dinnerparty at her home last Sunday complimentary to her brother, Herman Minnick and his wife who were up from Atchison. Covers were laid for ten and the repast served was exceptionally fine. The day was a most enjoyable one for all those present.

Thomas and Swanson the Chicago auctioneers closed their sale of the F. E. Schmitt stock last Saturday night to the largest audience that has ever attended an auction sale in this city. The sale has been the best and most gentlemanly conducted auction sale we have ever seen and it seems remarkable that auctioneers could hold an audience so long as the sale has been running just 31 days and it certainly takes good judgement great ability and a proper treatment of the people to hold an attendance such has been present at this sale especially as everybody was so well acquainted with the stock, and conditions surrounding it. We are sorry to see Thomas and Swanson leave our city as they have almost become one of us they have made innumerable friends and acquaintances and by their square upright dealing with a buying public, should they ever return to sell out another stock will be sure to meet with a very warm reception.

It is a well known fact that persons living in the pine forests do not suffer from kidney diseases. One dose of Pineules at night usually relieves backache. 30 days treatment \$1.00. Your money refunded if not satisfied. Sold by A. G. Wanner, druggist.

CIVIC PUZZLES FOR WOMEN

Other Work Than That of the Home Is Now Laid Out for the Broad-Minded.

"There is nothing that women cannot do but the work must be planned with a thoroughness that precludes failure, and done with a modesty which is the inherent charm of the superior sex," says a writer in the Woman's Home Companion. "As I said, every community has its own problem. Most of these originate outside of the home. Pure water, pure food, pure air, clean streets, sanitary schools and tenements, district nursing, education of the ignorant in the care of babies, the question of paupers, the public baths and traveling libraries, the treatment of our women prisoners in prison and after, the lodging-house problem—these are only a few of the civic puzzles crying for trained women to solve."

"A woman does probably her greatest share of her duty as a citizen when she makes home a safe and happy harbor of refuge from a stormy world, when she brings up her children into noble manhood and womanhood and when she does not destroy her husband and family by bad cooking and bad temper; but that same woman crowns her career as a citizen when she interests herself in and becomes a vital part of some problem of government. A woman successful in home life is desperately needed in civic life."

LAW FOR THE AEROPLANE.

There is an ancient maxim of law which reads as follows: "He who owns the land owns it up to the skies."

This venerable rule of property is said to be as good to-day as it ever was, and is therefore full of menacing significance to the aeroplane builder, for the effect of this rule of law is that the owner of land has the exclusive right to the air over and above the four corners of his property, and any interference therewith, however slight and practically harmless, constitutes a trespass for which the owner can always recover nominal damages.

This right is not a mere technical one. It has been frequently asserted in law courts, and to it has always been accorded strict recognition, the consequence of all which is that the aeroplane builder will be unable to pass over his neighbor's land without rendering himself liable to be sued for damages. Though such damages would most likely be small, still the verdict would be sufficient to carry the costs with it.

FEMINE DIPLOMACY.

Most diplomatic girl I ever saw, that Miss Eastlake.

"She's engaged to young Horrocks, isn't she?"

"Yes, and do you know how she caught him? He's a frugal sort of chap, you know. Well, he invited her out to dinner one evening, and she refused to let him order anything more than a tongue sandwich and a glass of ice water for her. On the spur of the moment he asked her to go again some time, and before he knew it she had him."

HE HAD ENOUGH.

"Here's a note," said the postal clerk, "from a man complaining that his mail isn't delivered regularly."

"What's his name?" asked the chief.

"Vladevoldoweschowski."

"Huh! with that name you'd think he had all the letters he needed."

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
