Hon. M. B. Reese

Hon. M. B. Reese was born in Macoupin county, Illinois, in 1839, a farmer boy, and doubtless would still be a farmer with a ranch 100 miles square for a workshop somewhere in western Nebraska, had he not injured an arm about the time he was ready to branch out, and this turned his attention to another profession, for in those days a farmer didn't get to use a riding plow or cut cornstalks by proxy as they do now. While he was living on the farm Judge Reese completed the course prescribed by the country schools, and then worked his way through a seminary near his home. He was admitted to practice and removed to Oseeola, Ia., Illinois having become entirely too eastern for him. He lived in Iowa from 1865 to 1871, when he heard the call of the prairies and removed to Plattsmouth, where he again hung out his shingle.

Practically the entire life of Judge Reese in Nebraska has been spent under the limelight. He was a member of the constitutional convention in 1875; district attorney of the Fourth judicial district for three terms; supreme judge, and dean of the law department of the state university. All positions of the greatest importance. How well he has done his duty and how faithful he has been to the trust reposed in him, is answered by the endorsement given him by his party at the late primary election.

Judge Reese was slow to ask for this endorsement, and only allowed the use of his name after many newspapers and many people had called upon him to again assume leadership.

The republican candidate is a magnificent specimen of physical manhood, about six feet tall and broad in proportion. He has snow white hair and lots of it, and a long white mustache. He is a good specimen of the man who is strong enough to blaze a trail in a new country or lead an old country out of a rut. And he is even tempered, good natured, a wit and an orator. He catches an audience with his humor and he holds them while he clinches his arguments. In 1887 he served as grand master of the Masons, and he has always taken great interest in the lodge. In 1889 he received votes for United States senator though he was not an active candidate for the position.

Speaking of Judge Reese, Governor Sheldon said: "The republicans have nominated a candidate in whom the people have every confidence. Judge Reese has a spotless record, both public and private. He is a student, a scholar and a tireless worker. I have been his admirer for years. He has always stood for the best interests of the people regardless of the consequences to himself. He has been opposed to machine rule in politics and has fought for years that the government and the people might be brought closer and closer together. In the early days back in Wahoo he encountered the hostility of ring rule, and he has always had the enmity of those who prefer machine control in politics rather than have the majority of the people in control. He should receive the entire republican vote and doubtless will receive many of the votes of the opposition parties because he stands for the very best in state government. He is one of Nebraska's best men and will make a splendid record on the bench."

### Success

To work steadfastly with an upward aim,  
To conquer wisely trials met;  
With little use for anger or blame,  
The highest good from life to get;  
To gather wealth, not for its sake alone,  
But for the good it helps to do;  
To strike each morn a richer mental tone,  
And onward press with courage new;  
To hold in other hearts a sacred place,  
To gladly helping hands extend,  
To grow in spirit beauty, spirit grace,  
As thru this busy world we wend  
To win the power to lead, to cheer, to bless  
Our brother man--this constitutes success.

I tried doctors and all kinds of kidney cures, but nothing done me much good till I took Foley's Kidney Cure. Four bottles cured me, and I have no more pain in my back and shoulders. I am 62 years old, and suffered long, but thanks to Foley's Kidney Cure, I am well and can walk and enjoy myself. It is a pleasure to recommend it to those needing a kidney medicine." ## Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppose it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good! Hereafter for this very reason, mothers and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding
