Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month. Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.

Suit for Damages.

John Waidley of Crab Orchard recently instituted proceedings in the district court asking damages in the sum of \$1,000 from Dr. John Cochran of Tecumseh. Mr. Waidley alleges that the doctor administered a wrong dose of medicine to his seventeen-year-old daughter, Olive Waidley, on July 24 last, from the effects of which he asserts the young lady died. Mr. Waidley avers that the doctor gave corrosive sublimate when he said he was going to administer calomel. The daughter, lingered until August 4 and died in great agony, the petition states. Other physicians were called to treat the lady in her last sickness and will testify against the Tecumseh doctor. Dr. Cochran makes a complete denial of the charges. He states he was called to attend the young lady and when he reached the Waidley home he found her in a very low condition. She was, he says, suffering with an internal injury or malady and in the condition he found her death was certain to result. He denies absolutely the administration of other than proper medicines.—Tecumseh Chief.

The Youth's Companion Calendar For 1908.

The publishers of The Youth's Companion will as always at this season, present to every subscriber whose subscription (\$1.75) is paid for 1908 a beautiful Calendar for the new year. Four paintings by artists of distinction are reproduced in the four panels of the Calendar by a process of color-printing which has been recently brought to remarkable excellence. The first of the panels is an inspiring sea scene, full of the beauty of the wide ocean and sky, and the joyous rush of the homeward-bound ship. The second is a fine cattle piece. The third pictures an old mill at Zaandam—typically Dutch in treatment. The fourth panel depicts a "Girl with Roses"—a charming face, exquisite in color and expression. All the pictures are worthy of preservation long after 1908 has passed into the good old times.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by all dealers.

The kickers on the farm are not so hard to get along with as the kickers in town, declares the Breckinridge Bulletin. On the farm there is the kicking cow, and our long-eared friend the mule, while in town there is the old mossa-back who wants all the municipal improvements without paying for them. The cow may be sold for beef, the mule traded for a shotgun, but nothing but a funeral will get rid of the town kicker.

Settle Creighton Estate.

Settlement of the contest of the will of Count Creighton by heirs unmentioned in the will has been effected by the proposed payment of \$350,000 to the seven heirs unmentioned.

Each of the unmentioned heirs is to receive \$50,000 in consideration of their dropping contests of the will, and the remainder of the estate will be divided pro rata among the specific legatees under the will, including many charitable institutions.

Those who will receive \$50,000 each by dropping contesting suits are James H. McCreary, Charles F. McCreary, John A. McCreary, Mary McCreary-Daxon, Emmet H. McCreary and Mrs. Mary Creighton Shelby. These were heirs-at-law of Count Creighton, but were not mentioned except negatively and by implication in the contested thirteenth clause of Count Creighton's will.

Signatures of the named heirs, agreeing to the compromise settlement, have been secured, and signatures of other interested persons and direct legatees under the will are being secured, to close controversy early next week.

Attorneys for the contestants and beneficiaries have agreed to pay the \$350,000 to the seven unmentioned heirs; retain, in abeyance, enough of the estate to provide for a claim of John A. McShane, amounting to \$200,000 in Texas land, and distribute the balance of the estate among the several mentioned beneficiaries in the will.

The estimated value of Count Creighton's estate at the time of his death was about \$3,500,000.

Divorce Figures.

The census bureau has gathered statistics showing that in the last ten years 1,300,000 suits for divorce have been begun in this country, or at the rate of 130,000 a year. The forthcoming report on these statistics will contain an analysis of the different complaints on which separation was asked. It is estimated that two-thirds of the cases were successful. There remain about 40,000 cases to be investigated, and the whole subject is to be brought before congress. The purpose of the latter will be to make an effort to have congress take such action as will lead to the passage of uniform divorce laws throughout the country.
