

Absolutely Pure

From Grapes, the most healthful of fruits, comes the chief ingredient of

ROYAL BAKING POWDER

The only baking powder made from Royal Grape Cream

Contains a little more than the injurious alum or phosphates of lime powders, but with Royal you are sure of pure, healthful food.

Only \$2.00 A Year.

During the one week of March 23 to 28, inclusive, the Lincoln Daily News will accept \$2 from mail subscribers for a whole year to April 1, 1909, the regular price being \$3.

This cut in price is made possible by taking traveling solicitors from the road and doing business with the readers direct, giving them the savings in salaries, railroad fares, hotel bills, etc. The News is a regular \$3 paper, but by this method you can save \$1.

This will be a great year in Nebraska and you will want a daily paper. One that's not afraid to say right out what it thinks. No office holders or office seekers are interested in this paper. It's run on the square deal plan, under no obligation to political bosses. Aren't you interested in the fight that is being made in Nebraska for everybody's good? If you are, send in your \$2 and get this live paper all through the campaign and through the next legislature.

Keep tab on what is being done. The people will never get what's their rightful due until they go after it. The News will always be found helping you to get what's fair.

Remember the bargain week—March 23 to 28. The price will be \$3 after that week and it's a good bargain at even that higher price.

A Narrow Escape

Many people have a narrow escape from pneumonia and consumption as a result of a cold that hangs on. Foley's Honey and Tar cures coughs and colds no matter how deep seated and prevents pneumonia and consumption. Refuse substitutes. Kerr's Pharmacy.

Tickling or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else even with very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. Sold by all dealers.

You also can get seed for choice varieties at the **State Bank**

Traces Lost Boy.

The following item concerning the mysterious disappearance of the son of E. M. Miller formerly of this county, from his home near Enid, Oklahoma, about a year ago, appeared in last week's Johnson News:

"A little over one year ago the older citizens of this place were startled and shocked by the news from Enid, Oklahoma, that one of the sons of E. M. Miller had mysteriously disappeared, and although they wrote and advertised the country over, having his picture in numerous papers and on postal cards addressed to the numerous postoffices in the United States, no trace of him could be found.

"James Stone, an old resident of this place but now of Monte Vista, Colorado, is confident the boy was there this winter, if he is correct the boy has lost his mind and cannot recollect past events. Jim inveigled him into a photograph gallery and had his picture taken and mailed it to his father some time ago, but not hearing from him, dropped the matter. But just previous to his starting down here received a communication from a postmaster in Indian Territory requesting him to send stamps for the return of the package which in some manner had miscarried or been misdirected. Jim, who in past years was quite well acquainted with the parents, thinks this is the boy. If so, the many friends of the family hope he may be restored to his parents and fully recovered from his temporary inability to remember."—Auburn Republican.

A Life At Stake

Your life may be at stake when you notice any sign of kidney or bladder trouble as Bright's disease and diabetes start with a slight irregularity that could be quickly cured by Foley's Kidney Remedy. Commence taking it at the first sign of danger. Kerr's Pharmacy.

Send Money Away.

The board of public lands and buildings at Lincoln last Saturday purchased \$444,000 of bonds for permanent school funds, \$200,000 of the amount being Minnesota bonds that will net the state 4.22 per cent, \$185,000 Tennessee bonds that will net the state 4.226 per cent, and \$89,000 other Tennessee bonds that will net the same amount. Is it not unfortunate that the state funds cannot be invested in the municipal school district and county bonds of our own state, rather than continuing this mail order method of investing? What difference is there between this and the Snears, Snorbeck & Co. mail order business. The state needs the money and investment at home would increase the value of our securities.—Hastings Democrat.

To Graduates.

The Tribune this week received a beautiful sample line of graduating cards, which we will be pleased to show to all interested. It is only a short time until the class of 1908 will be before the foot lights and you will want to tell your friends about it in the proper way, which is by a neat and beautiful invitation, and which we can furnish at a moderate cost. Come in and see our line and get our prices.

Interest to Farmers.

The following letter was received from Congressman Pollard, which is self explanatory:

"I have arranged with the Secretary of Agriculture to send one of his best trained, practical agricultural experts into Nebraska this summer who will co-operate with any farmer who desires to secure the benefit of information bearing on the best improved scientific methods of selecting his seeds and cultivating his crops. I should like to have the names of twenty-five farmers from each county in my district who would like to co-operate with this expert. This service will be without cost to the farmer.

Any one desiring to receive the benefit of this instruction can do so by sending his name to Ernest M. Pollard, M. C., Washington, D. C."

Mother Worries Over Her Son.

Representative Pollard is in receipt of a letter from A. W. Hunt of Dawson, Nebr., asking for information concerning Emery W. Hunt, son of the letter writer. The young man's clothing, it is stated, was received at his home in a parcel sent from Norfolk, Va., recently. No word came from him, but the family has heard that he enlisted in the navy at St. Louis, February 24, and it is presumed that after he reached Norfolk to begin active service, his old clothes being of no further use, were shipped home. His mother is distracted about him, the boy being only 19 years old. Mr. Pollard has set inquiries on foot, and expects in the course of a few days to secure from the navy department all the facts about young Hunt's enlistment, assignment, etc.—World Herald.

A Sure Cure.

Mrs. Phillips, a colored widow lady, was bothered a great deal by chicken lice among her hens. Last Saturday she was seized by an idea, and raking up all the trash from the garden deposited it in a heap in the chicken house and set it on fire. The flames however exceeded her expectations. The fire bell rang, the department got out, but the chicken lice were all consumed, likewise the chicken house.—Hiawatha World.

Is it not time for the thinking people of this country to realize the hopelessness of business expansion commensurate with our natural resources if the country is permitted to go on in this lawmaking craze? The time is come when the business people of the country should be allowed to do business, and not have to give three-fourths of their time to the study of foolish, fanatical laws passed by politicians who are seeking to make a record with their constituents and who have no more conception of the needs of the country, of every class of people, whether manufacturers, merchants, bankers day laborers or farmers, than a jackass has of the melodies of some great oratorio.

Blood Poison from Hose.

Mrs. James Stokes was called to Omaha last Friday by the death of a nephew, who died from blood poisoning, caused by his shoe rubbing against his heel, the hose fading into the sore. Death came as a shock to the many relatives, who are, extremely saddened by his loss.—Auburn Herald.

Pain can be quickly stopped. A 25-cent box of Dr. Shoop's Headache Tablets will kill any pain, everywhere, in 20 minutes! Besides they are thoroughly safe. Painful periods with women, neuralgia, etc., quickly cease after one tablet. Sold by all dealers.

Minstrel Show.

The Falls City Elks will give a fine minstrel show, assisted by professional talent. It is the intention of the managers to repeat the Falls City performance in Hiawatha. Our people will give the minstrel a big house and a kindly greeting. And if the Falls City folks would like to see "Princess Bonnie" the company might be prevailed on for a performance in Falls City.—Hiawatha World.

Thousands Perish

Thousands perish every year from consumption resulting from a cold. Foley's Honey and Tar cures the most obstinate racking coughs and expels the cold from your system and prevents consumption and pneumonia. It has cured many cases of incipient consumption. Kerr's Pharmacy.

\$100 paid by Dr. Shoop for any recent case of gripe or cold that a 25c box of Preventives will not break. How is this for an offer? The Doctor's supreme confidence in these little Candy Cold Cure Tablets—Preventives—is certainly complete. It's a \$100 against 25c—pretty big odds. And Preventives, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if colds were always broken. Safe and sure for feverish children. 48 Preventives 25c. Sold by all dealers.

How Cough Germs Multiply

When you have a cold the mucous membrane is inflamed and the disease germs which you breathe find lodgment and multiply, especially the pneumonia germ. Foley's Honey and Tar soothes and heals the inflamed air passage, stops the cough and expels the cold from your system. Refuse substitutes. Kerr's Pharmacy.

Their Private Means

Women, who have difficulty in caring for their private means, should place them in this bank. Their deposits will always be subject to their control, and at the same time bring them a fair rate of interest.
