

EASTER!

Our Showing of the New Fads and Fancies in Clothing, Hats and Furnishings are attracting the most favorable comment

THE week preceeding Easter Day will be one characterized by specially attractive values in **SPRING SUITS** and **TOP COATS** at

Wahl & Parchen's

We have reason to extol the artistic merits of our clothing from the standpoint of style and worth. If your clothing purchases have been delayed until now, you will do well to see the new patterns just received, and the splendid line of new

shirtings and bright-hued neckwear to be found in our furnishings section. There is a "snap" and "go" to the new Spring styles that you will find most pleasing. In all our experience we have never sold clothing which fits so perfectly as Sincerity Clothes; and you must bear in mind the important fact that our clothes enjoy the reputation of being the best made in point of workmanship of any make of clothing, in addition to their style and cloth quality. You will be immensely pleased at the variety of styles and splendid selection of patterns, and as usual, you will find here such moderate prices as will appeal to your idea of true value.

Those Monstrous Hats.

There is a strong inclination to join the New York Times in a protest against the amazing architecture of the new spring hats worn by women. It has been the custom to treat humorously of the discomfort and inconvenience caused to others by the large hats of womankind, but it is in no mirthful spirit that the Times now records a protest against them, and the lack of good humor in this connection is altogether excusable.

The women discard their new hats in theatres, because they are required to. But many of them are displeased if a preacher makes such a request. Out of the designs now seen will obstruct at least twenty-five feet of the view of platform or stage of a person sitting immediately behind it. The Times is right in saying that women wearing these things should be compelled to remove them indoors. A few of them at a private reception will crowd a

room of ordinary size. They are not beautiful, because they are appropriate to no occasion unless the place is an open field. If a man should raise an umbrella in a lecture hall or in church he would be expelled, and properly, too. Why not compel a woman wearing a hat as big as an umbrella to remove it or retire.—*Lincoln Star.*

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would stand the test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers.

Holy Week Services.

Following is the order of service at St. Thomas Episcopal church beginning next Monday:
Monday, 10:30 a. m.—Matins.
Tuesday, 10:30 a. m.—Matins.
Wednesday, 7:30 a. m.—Holy Eucharist.
Wednesday, 7:30 p. m.—Evensong.
Maunday Thursday, 10:30 a. m.

—Holy Eucharist.
Good Friday, 10:30 a. m.—Matins.
Good Friday, 7:30 p. m.—Evensong.
Holy Saturday, 4 p. m.—Vesper.

On Good Friday, the purple vestments of priest and altar give way to the sombre black color of sorrow and death. The organ is silent until Easter morning, the lights on the altar are extinguished and the faithful await the coming of the glorious Easter day with great searching of heart.

Not Coming.

The Falls City Elks minstrels will not play in Hiawatha as planned. They gave a rather good performance in Falls City, Thursday night, the best numbers being by Mr. Spence, Mr. Jellison, Mr. Whitaker, the Prator sisters and a line of boys and girls. The boys sang and whistled; the girls sang in fear of the Bogey Man. The promoter of the show and his son were not much. The receipts were \$140. The promoter got half and his expenses. He worked the business men who seldom advertise in the newspapers where costs less to buy space on a program which made him \$50. When he spoke of coming here he was assured the picking wasn't that easy. Hiawatha World.

Notwithstanding the high wind last Saturday, a large crowd was in town and our merchants enjoyed a good business.
