Steve Miles is now enjoying himself and extending the pleasure to his friends with a fine new touring car which he handles like a professional.

What a waste of space to the readers of the News in announcing the fact that it is the "largest, oldest and best" on earth. No one ever questioned the fact and the proprietors have written the paragraph so often they really believe it is true.

The South-eastern Nebraska High school field meet will be held in this city within a few weeks, and if you have a drop of sporting or patriotic blood in you go and see it. The writer had more fun and got more excited at the field meet held in Auburn last year than he ever did at a horse race or a foot ball game and that's going some.

New Jewelry Store

I desire to inform the citizens of Falls City and surrounding community that I have just opened a full line of everything pertaining to the jewelry business, consisting of watches, jewelry, silverware, etc. I am a practical watchmaker and jeweler. All work and goods guaranteed. North window of Kerr's Pharmacy.

R. B. Simpson

Reid's Yellow Dent Seed Corn For Sale

This variety showed the largest yield under all conditions of any corn in the state, the test being made at the Nebraska Experiment Station. I bought this seed from the State University farm three years ago and it is well acclimated. This is one of the so-called early maturing varieties and will be sold on ear at **\$1.50 per bu.**

The demand is strong for this corn and it is going fast. If you want any of it, order now as the supply is limited.
