The New York World, a democratic paper is authority for the statement, "Bryan's nomination means Taft's election." We have heard no one dispute it so far.

While considerable damage has been done to the fruit in this state by the recent cold snap, the reports from Arkansas and Missouri indicate that we have been more fortunate than many other localities. Stand up for Nebraska.

We frequently hear of a million dollar rain, but the rain which fell on Sunday and Monday nights is estimated to be worth \$3,600,000 to the winter wheat crop of Nebraska which was suffering greatly for rain. It some times looks blue in Nebraska, but bounteous rains are generally sent in time to make an abundant harvest.

Although Secretary Taft is more than two thousand miles away, his boom still goes marching on sweeping all opposition before it. It is large enough to fill the country and by the time the Chicago convention meets, a motion by the opposition, to make the nomination of the secretary unanimous will be in order.

'Harry K. Thaw has been temporarily released from the asylum

at Matteuan. It is to be hoped that the release is only temporary. It would be a travesty on justice, if a man whom the courts hold to be too insane to be amenable to the criminal law after the taking of human life were to be later declared sane and again set free.

The new mayor is now in the saddle. We predict a good year for Falls City. The appointments made, are good ones and the public are assured of good service. Let everybody boost now and help the town. We have the capital, the territory, and the men to make Falls City a larger and more progressive town if we will only become boosters and cease to be knockers.

Shortly after the passage of our present revenue bill, the Democrats tried to beguile the public into the belief that it necessarily meant higher taxes. The county board, which was Democratic, made an unusually heavy levy as did cause a raise in the taxes. Any thinking man knows that the amount of the tax we pay depends upon the amount levied. The county board is still Democratic. They control the purse which holds the county money, and the taxpayers of Richardson county have seen no reduction in the taxes. Reform and economy are great cries with our Democratic friends, but when put to the test, they neither reform or economize.

Those are not real mocking birds you hear on the street, but a very unique advertisement given out by P. S. Heacock & Son, and in the hands of the small boy is doing good service. Heacock & Son is one of the firms that realizes the good that comes from advertising.

## Resolutions of Respect.

Whereas, it has pleased God in His divine wisdom to remove from our midst Bro. James Cornell, and,

Whereas, we deem it a fitting tribute to our beloved brother to make known to the public the high esteem in which he was held by this council,

Therefore be it resolved, that in the death of Brother Cornell, Richardson Council, No. 1312, K. and L. of S. has lost an earnest member, his family a tender loving husband and father, and the community a valuable citizen.

Resolved, That this council extend to the bereaved ones their warmest sympathy in their sad bereavement.

Resolved, That these resolutions be spread at length upon the records of this council, published in the city paper, a copy presented to the family of the deceased, and that the charter be draped in mourning for a period of thirty days.

## Considered an Honor.

J. M. Schoenheit, one of our old Falls City boys, has had honors conferred upon him which he may well feel proud of. During his recent trip to Washington he was admitted to the bar of the United States Supreme Court. This is indeed an honor which has been the goal set by many. Jule's many old friends here congratulate him. During his recent visit in the capital city he also had the pleasure of a visit with President Roosevelt, being with the Missouri delegation, who were in line during the president's receiving hour.

Mrs. Reneker and daughter, Helen Ruth, are visiting at the Paige home in Troy, Kas., this week.

## Resident of Jerusalem.

Mrs. Charles Edwin Smith of Jerusalem, is visiting at the home of Mr. and Mrs. M. R. Murray, 909½ Charles street. Mr. Murray made his home with Mr. and Mrs. Smith, during a residence of nearly a year in Jerusalem, during which he assisted the American consul.—St. Joe News-Press.

Mrs. Smith, formerly Miss Jennie Newkirk, is the wife of our old townsman, Chas. Edwin Smith, a brother of H. C. They left here about seven years ago for Jerusalem and have lived there since that time. Mrs. Smith arrived in the city Wednesday for a few days visit with old friends. She is enroute to California to visit her brother, Dr. Newkirk, who has been quite ill for some time.

## Library Notes.

The library board met Tuesday evening in the library. The librarian's report showing a circulation of 1,652 volumes and an attendance of 1,859, was accepted.

The bill for the new chairs for the small children was allowed, and the list of magazines to be taken for the next year determined upon. There will be seven new ones added to the list already on the tables.

Then followed a lively discussion as to ways and means for helping the children to the use and appreciation of the best books. All agreed that having the books was not enough, but that to make the library of the most service there must follow the reading of the same. If half the ambitions mentioned can be carried out our library will be nearer the top than it now is.

The new chairs and table for the small children have been installed and are a great comfort to the little tots.

Bruno Hansen spent a few days of the past week in this city with his wife at the home of Dr. and Mrs. W. H. Kerr.
