## Don't Give Your Poultry Away.

Our poultry buyers are complaining of an agent going through the country and misrepresenting the price of poultry. He tells the farmers that our buyers are only paying 7c, and he offers them the same price and hauls the poultry away, when the truth of the matter is our dealers always pay the very highest market prices. Don't be buncoed by these agents, but bring your poultry to reliable dealers.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment, to prove it I will mail a small trial box as a convincing test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers.
