THE BALL GAME

THE HIAWATHA TEAM WAS NOT FAST ENOUGH

From a Spectator's Standpoint it Was a "Cracker-Jack" Game of Ball

Score: 9 to 4, Falls City's favor.

Although the game was not an errorless one it was one that kept the spectators on their toes. From the very first enthusiasm was mutual with those that composed the large attendance. Every time the ball was thrown or batted a cheer went up that made the few who remained at home wish they were "young enough" to enjoy the national game.

Heacock and Poteet did the battery work for Falls City and although Roy let several men "walk," he pulled himself out of all the holes remarkably. In the fifth inning the first three batters up took a base on balls, filling up all the bases. The next three men up were treated to "one, two, three—batter out." Then again in the seventh with only one man out the bases were again filled up, but after "fanning" them to a queen's taste the side was again retired without a score. It is safe to say Tom Poteet never caught a better game.

The team work was excellent. Hiawatha worked two pitchers, but neither of them could hold our boys down. They had a good "bunch" of boys and gave their pitcher good support but Falls City had her batting clothes on.

The game by innings:
FIRST INNING
Hiawatha—G. Steele batted to second who threw him out at first. Ramsey fanned as did also Chappel.

Falls City—E. Poteet made a single and was put out while trying to steal second. Green made a one-base hit and stole second. C. Foehlinger hit a fly to pitcher who caught him out. Poteet batted ball to third who threw him out at first. Green died on second.

SECOND INNING
Hiawatha—B. Steele hit a grounder to short stop who muffed it. A. Meisenheimer hit fly to third who caught it. R. Meisenheimer made long fly to center who caught it. Wonders' fly to left field was caught, letting B. Steele die on second.

Falls City—Heck singled. Saylor made two-base hit, but was caught off second by catcher to second baseman. Heck scored. Meyers hit, but was caught at second by short stop, after being forced off first by Cornell, who was thrown out at first, making a double out.

THIRD INNING
Hiawatha—McGee singled. Whitney fanned, G. Steele batted ball to pitcher who threw him out at first. Ramsey fanned. McGee died on third.

Falls City—Heacock batted to short and was thrown out at first. E. Poteet fanned, Green was thrown out from short to first.

FOURTH INNING
Hiawatha—Chappel fanned. B. Steele batted to second who threw him out at first. A. Meisenheimer fanned.

Falls City—C. Foehlinger singled. So did Poteet. Heck bunted, bringing in Chas. Foehlinger an Tom Poteet. Saylor batted to pitcher who threw him out at first. Meyers batted to third and was thrown out at

TWO GOOD ONES

Atchison Will Play Falls City Two Games Next Week.

On next Thursday and Friday Atchison comes for two ball games with our boys at Poteets park, and they say they are coming to win, but that remains to be seen.

The Atchison Globe has been poking a great deal of fun at the "one horse" town of Falls City winning all the ball games by scaring the umpire. That may be the way they do things in Kansas but its different here, as they will find out next Thursday and Friday. It will be a ball game from start to finish. We don't have to steal the game. The Atchison team is made up of all salaried men and have the reputation of being fine ball players. That's the kind we want.

The game will be called each day at 3:30, and as our boys are at a big expense in getting this team for the two games it is hoped a good crowd will be in attendance and help them out.

Following is the line up:

BURGLAR BUSY

Man Enters House in North Part of Town but Secures no Booty

Some one broke into the house of R. P. Thomas Monday night while Mrs. Thomas and the baby were alone. They heard a scratching on the window screen but thinking it was mice paid little attention to it. Soon she was horrified at finding some one in the house, who searched every room except the one occupied by her where a lamp was burning.

Mrs. Thomas coughed and pretended to just awaken, and he then went out at the window where he had entered. Local talent is thought to be responsible for this act, as Mrs. Thomas is almost certain as to the identity of the individual, she having seen him plainly through the window after he left the house. The fellow was evidently after money as Mrs. Thomas had had quite a sum in her possession but had placed it in safe keeping that day.

BARN BURNS

Small Boy And Matches Cause a Good Blaze

On Wednesday afternoon about 1 o'clock, the barn and sheds on the alley back of Matthews' store and the Lyric theater were discovered to be on fire, and but for the hard work of the fire department the blaze would have proven disastrous. Before the flames were subdued a shed stored with hay was destroyed and the barn is almost a total wreck. There were horses in the barn but they were rescued. The balance of the contents, including a supply of grain, was destroyed. We understand the fire was caused by boys playing with matches. It was a close call and a lucky thing for our city that there was no wind.

Will Have Vacation

Miss Clara Tanner, Uncle Sam's accommodating money order clerk, will leave the first of the month for points of interest in Colorado, where she will spend the hot days of August "having a mighty fine time" and taking a much needed rest after a long steady year's work in our postoffice. Here's hoping you won't forget to come back.

AT THE ALTAR

TWO COUPLES ARE VICTIMS OF CUPID'S DART THIS WEEK

Raymond Meyers and Miss Alice Gunn—Joe Forney, Jr. and Miss May Schrader

The Roman Catholic church was the scene of a very pretty and most impressive ceremony on Wednesday morning, July 29, at 8 o'clock, when William Raymond Meyers and Miss Margaret Alice Gunn were united in the holy bonds of matrimony.

Promptly at 8 o'clock the wedding march played by Miss Margaret McKeiver announced the arrival of the wedding party. They were preceded by the bridesmaids, Misses Marie Gunn, sister of the bride, and Miss Vera Schulerberg. The maid of honor was Miss Kate Schulerberg. Then followed the bride, accompanied by her father. They were met at the chancel by the groom, supported by Walter Gunn, a brother of the bride, and taking their position before the altar, took upon themselves the vows which unites them for life. Father Bex conducted the ceremony using the beautiful ring service.

The convent choir furnished the music, while high mass was said. The bride looked beautiful in her simple dress of white and long tulle veil and carrying roses, while the attendants were also becomingly gowned.

Both bride and groom are well known to all our people, having lived here most of their lives. The groom is the son of Mr. and Mrs. Henry Meyers, now residing in California. He is a young man of good habits and industrious and is sure to succeed. The bride is the daughter of Mr. and Mrs. Patrick Gunn, is a young lady of pleasing appearance, accomplished and possessed of many womanly traits, which will make her a loving and faithful helpmeet for her chosen companion.

Immediately after the ceremony the bridal party were taken to the home of the bride, where an elaborate wedding breakfast was served, followed by a reception.

The happy couple left on the afternoon train for California, where they expect to remain for some time.

The Tribune joins with the many friends in extending congratulations.

Joe Forney, jr., of this city and Miss May Schrader of Rulo were quietly married in Judge Gagnon's office on Thursday of last week, and so quiet has the affair been kept that but few of their friends are as yet aware of the fact. They immediately left for Superior, Neb., where Joe is employed in a cigar factory.

The bride is not well known to many of our people, but from those who know, we have heard nothing but words of praise. The groom is known to all of us. He had been employed for some time in the cigar factory of W. S. Leyda and is considered a good workman.

We wish them abundant success in their wedded life.

CHANGED HANDS

FALLS CITY BUSINESS COLLEGE HAS NEW PROPRIETOR

Professor Barrett Retires, After Many Years as Head of the Institution

This week a deal was consummated, whereby the Falls City Business College passes into new hands, Prof. Barrett retiring. The new owner, J. C. Leister, will assume immediate control. He is a Falls City product, having been raised among us, and is a graduate of this same college, which he now owns, this fact alone being a criterion of his sterling worth. For some time Mr. Leister has been an instructor in the Zanerian college of Columbus, Ohio, which is considered one of the best, if not the very best school of penmanship and kindred branches known, giving the finishing touches to those desiring a practical business education. Mr. Leister has also held many important and lucrative positions in the business world, which experience will enable him to impart to his students the practical side of an education so essential in this age. While we are sorry to learn that Prof. Barrett has decided to give up this valuable institution, we are more than pleased that it has fallen in such competent hands.

For a number of years the business college has been a pride to Falls City people, turning out each year, as it did, many students competent to accept positions in almost any capacity in the business world. Prof. Barrett launched this enterprise several years ago and since that time has devoted his entire time to its growth, and being an instructor of more than ordinary ability, has succeeded beyond the expectations of the most sanguine. As to his plans for the future we are not able to say, but sincerely hope he will decide to remain with us, as we can ill afford to lose men of his character.

The Tribune welcomes J. C. Leister among us and wishes him success in his undertaking.

A TIMELY SUGGESTION

Should Use Precautions to Prevent Accidents

Motor car accidents are growing more common every day. Falls City is filling up with automobiles very rapidly and some of the boys are pretty reckless. Cars are run at high speed on the streets, corners are turned with no warning, some of the machines run at night without lights. A four year old boy was nearly run down on south Chase street. A car swung round a corner at high speed the other evening without warning and threw its lights into the faces of a nervous team a serious accident was barely prevented. The council should pass an ordinance regulating the speed, enforcing lights at night and compelling the proper warnings. If this isn't done a bad accident is sure to result.

The Band Concert.

The streets were crowded Thursday evening by people to listen to the band concert given by the Hiawatha band, and they were well pleased, as well they might be, for the concert was fine. This band deserves all the good things which have been said about it, as it would be hard to improve upon.

About a hundred people came over with the band, which goes to show that a band will draw a crowd when everything else fails, and that Falls City fails to support an organization of this kind is a deplorable fact.

We were glad the band came over and gave us this treat, and they may be sure of always finding a welcome awaiting them in Falls City.

SUNDAY SCHOOL PICNIC

Presbyterian Sunday School Enjoy Day in the Country

One of the most enjoyable social events of the season was the picnic held by the First Presbyterian Sunday school Friday, July 24. The event was to have taken place on Thursday, and when the morning dawned with plenty of rain falling, the wires were kept busy in all parts of the city by children in disappointed tones enquiring about the picnic. Friday morning gave promise of a beautiful, ideal picnic day, so it was a large and enthusiastic crowd which gathered at the Presbyterian church, impatient to be off to the picnic grounds, the fine walnut grove on the Henry Kruse farm. Through the kindness of Messrs Will R. Hoit, Peter Brecht, Geo. Hessler and Henry Kruse, ample conveyances was furnished for all. Though too late for the procession of hacks, carriages, hayracks and buggies, many private conveyances, carriages and autos made their way to the Kruse farm in good season that their occupants might participate in what was perhaps the most important feature of the day's program—the generous dinner on the grounds.

Fully 130 people partook of the bounteous provisions served in true picnic style on the grass. To say that every one young and old, did justice to that dinner is stating the matter very mildly indeed. In due time the tables, though still filled with good things were deserted and even the ice cream freezer ceased to be attractive and there followed a short period of rest during which the chairs, swings and hammocks were all brought into requisition before the afternoon's program began.

Dr. Bailey and Dr. Allison supervised the games, which were most eagerly entered into by the younger boys and girls. Messrs. Davies and Whitford acted as judges and awarded prizes to the victors. There were spirited races of all kinds together with banana and pie eating contests which furnished riotous amusement to the crowd of on-lookers. The day passed pleasantly and all too soon and almost reluctantly in the evening about six o'clock, did the crowd board the conveyances for home. Universally the picnic was voted a great success.

DEMOCRACY SCRAPS

A Monkey And a Parrot of a Time

The Democratic love feast held in the court house Wednesday to induce some of the faithful to file as candidates, was a hummer. A couple of dozen of the unterrified assembled to hear Shallenbarger speak. The fun, however, came up when the prospective candidates were discussed. Bill McCray was in the crowd, and Bill McCray is another name for trouble. Ralph Clark's name was suggested, but William had a candidate of his own and didn't want Clark. Ed. Falloon, who admires Bryan, —not, carried McCray down and then Morehead took a few shots at him. While William was getting somewhat groggy he remained in the ring. It looked like the thing was to break up in a row, but the belligerents found talking thirsty work, and for obvious reasons the meeting adjourned. Bill's candidate has not filed as yet and William will probably again vote the republican ticket.

More's the pity.

A Victim of Heart Trouble.

John Frederick Freie died at his home in this city Sunday, July 27, aged 62 years, 11 months and 17 days.

Deceased was born in Prussia but came to this country when a boy. He has been a resident of this county since his marriage forty years ago and has made many friends during his long residence here. For some time he has been a sufferer from heart trouble but was not considered critically ill, but last Saturday a change for the worse was noticed, and he continued to sink rapidly until Sunday morning, when the end came. He leaves a wife and three children to mourn the loss of an affectionate husband and indulgent father. The children are Fred Freie, Mrs. Gottlieb Waechter and Mrs. Albert Haefle, all of this county.
