SOCIETY NOTES

AS 'TAS TOLD TO OUR SOCIETY EDITOR

Various Kinds of Entertainment by Individuals, Lodges, Clubs, Churches, Etc

A dance at Wahl's hall furnished amusement for lovers of that pastime on the evening of German day.

The teachers of the Central school chartered a hack on Saturday morning and spent the day in the woods. They report a very pleasant outing.

The ice cream social given by the Methodist Ladies Missionary society at the home of Ed Fallon on Friday evening was one of the pleasant social functions of the week. The ladies netted a nice sum for their treasury.

There will be a meeting of the City Federation of Womens clubs at the Elk rooms on Saturday afternoon at 3 o'clock and it is earnestly requested that there be a good attendance as business of great importance is to be transacted.

Mrs. John Jones made Friday a day long to be remembered by the Degree of Honor ladies of this city, whom she entertained in a royal style at her beautiful home on that day. Twenty-one ladies were in attendance and each reports a splendid time. The hostess served an elegant lunch during the afternoon.

The Seniors furnished entertainment for the pupils at the high school Friday forenoon. Miss Schoenheit rendered a piano selection, Schubert's Impromptu, and Helen, accompanied by Miss Morsman sang "Who's at My Window." Prof. Downey of Peru was then introduced, who gave a very interesting talk. These social entertainments are becoming quite popular in our schools and are greatly enjoyed.

The Woman's Auxiliary of St. Thomas church, met with Mrs. John Crook Monday evening and enjoyed a most pleasant session. The lesson, "Missionary Work in Alaska," was led by Mrs. Morsman, followed by an interesting and general discussion. After the program Mrs. Crook served splendid refreshments. The next meeting will be with Mrs. J. M. Jellison, where a continuation of the same lesson will be the study, with Miss May Maddox as leader.

The Shakespeare club held its initial meeting of the year with Mrs. T. L. Himmelreich on Friday, Sept., 11. Mrs. T. J. Gist gave an instructive talk upon the meeting of the convention of the Federation of Women's clubs held in Boston last June. Mrs. Banks supplemented Mrs. Gist's address by a few well chosen remarks. Mrs. Lyford was elected delegate to the state convention to be held in Omaha, October 12. Adjourned to meet with Mrs. Holland, Sept. 25.

The Sophmores entertained the Freshmen at the high school Friday evening. It was their initiation into the high school and from all reports the program must have been unique as well as enjoyable. Lavender and white was the color scheme used in decorating the rooms which were used, especially the dining room, where brick ice cream and cake were served. The freshmen are now consoling themselves by thinking of the good time in store for them when they expect to play even. Just the high school pupils and the faculty of the high school building were present.

EDWIN P. GLINES

Dies in Hastings, Nebraska, Sunday, September, 13

The sad news reached this city Monday morning of the death of Edwin P. Glines, which occurred at Hastings, the day before. Ed was born and grew to manhood in this city and counted his friends by the entire circle of his acquaintances, for he had no enemies. He was always an upright, industrious boy, and had been employed for years in the cigar factory in this city.

About three years ago Ed's health began to fail, and despite all efforts he could get no relief, and when death came to relieve his suffering, to him it was a welcome visitor.

Edwin P. Glines was born August 16, 1873, in Falls City and died in Hastings, September 13, 1908, aged 35 years and 27 days. He was married to Miss Clara Babb, July 20, 1905. He was an honored member of the Masonic, K. of P. and I. O. R. M. orders, being past chancellor commander of the K. of P., and past sachen of the Redmen. He was at one time president of the local cigar makers' union. The remains were brought to this city Tuesday morning, and the funeral service was conducted at the cemetery by Rev. Neide and the Masonic order.

He leaves besides his wife, a father, three brothers and two sisters, all of whom were at the funeral except Jack Glines, it being impossible for him to get here in time. To the bereaved ones The Tribune joins with a host of friends in extending their sympathy.

LARGE BUSINESS ENTERPRISE

The Preston Mercantile Company a Pretentious Corporation

"Tell me the character of your business men," once said the late Marshal Field, "and I will tell you the future of your town."

This article is not an advertisement, we wouldn't accept a cent for it. Rather, it is a voluntary tribute to some young business men who are determined to put Preston on the map.

Not long since these young fellows, with a few of the older heads, organized a bank down there. Preston had always needed such an institution and the welcome it received, together with the aggressive and conservative management made the bank a success at once. A member of the banking board recently spoke to the writer in the most glowing terms of this bank.

And now comes Henry Zoeller, Ed Dowty, Harry Herman, the Margrave boys and several others and incorporated the Preston Mercantile Co., with a paid-up capital of \$20,000, and an unlimited capital in the confidence and respect of the entire community.

This company will do a general elevator, lumber, coal and mercantile business. All of its different branches are already established, but that the enterprise will prove a success goes without saying. In the meantime look for Preston to grow, for this crowd is made up of pushers, and pushers are the ones who do things.

Omaha Will Be Here

All arrangements have been made and the Omaha base ball team will sure be here Wednesday afternoon. This is the league team which finished second place in the pennant race just closed, and we are sure of a fine exhibition of the national game. While our boys are not league players, here's dollars to doughnuts, they'll make Omaha play ball.

GERMAN DAY

THE SECOND ANNUAL CELEBRATION A GRAND SUCCESS

A Large Crowd Was in Attendance and Everyone Enjoyed Themselves

The second annual celebration by our German friends was even more of a success than that of last year, and the program as carried out was greatly enjoyed by the large crowd in attendance.

During the forenoon the time was given to getting ready for the crowd and entertaining the early arrivals.

The afternoon trains brought hundreds of visitors from surrounding towns and at 3 o'clock the parade formed and marched up Stone street. It was headed by the marshal of the day, followed by the mayor and council in gaily decorated automobiles. Then came the Hiawatha band playing their splendid music throughout the entire line of march. The floats, Columbia and Germania, were very pretty. They were occupied by Mrs. Conrad Brecht and Mrs. Peter Kaiser, dressed to represent each country. The Falls City band followed and compared most favorably with the other in the music furnished. The members of the Deutsche Gesellschaft made a fine showing, being there in a body, and were an important feature in the parade. The Kaffee Klatch club, composed of a number of German ladies, occupying a nicely decorated float, made a very pretty picture, while the farmers threshing wheat in old time style, was true to life. Werner & Mosiman and George Fallstead each represented their business by decorated automobiles. Sigmund Spaeth and his German band were there, and the only fault to find with them was that they did not furnish more music. John Hossack and his society for the recovery of stolen horses, brought up the rear of the very creditable parade.

The line of march led to the park where the following program was rendered:

National Hymn	America
Address of Welcome	Mayor Abbey
Overture—"Diehter Bauer"	Hiawatha Band
Oration—John Mattes, Nebraska City	
Overture—"Deutsche Liehter"	Hiawatha Band
Address	Hon. A. E. Gantt
Kaiser Frederick March	Hiawatha Band
German National Hymn	
"Es Braust ein Ruf"	

In the evening there was another parade consisting of bands illuminated floats, automobiles, etc., and the program for the day closed with a fine display of fireworks, after which a general good time was indulged in. The day was a huge success, and those who had the affair in charge did themselves proud.

NOTES

It was one of the largest crowds Falls City has seen for years. Nebraska City was well represented. The Hiawatha band was here and everyone enjoyed the excellent music they furnished. The street "takir" was very much in evidence, and their numerous booths and the barking of the 'speelers,' gave Stone street the air of a midway.

As a marshal, Peter Kaiser looked very commanding in his gay uniform. Everyone was good natured and caused the police no trouble.

A PENNY SHOWER

Uncle Jesse Crook Surprised on 82d Birthday

Uncle Jesse Crook was the victim of a pleasant surprise Saturday evening, perpetrated by his many relatives in this city.

The plans had been arranged by his daughter, Mrs. J. R. Wilhite, and all had been kept so quiet that the surprise was complete.

The victim and his wife had been persuaded to take supper at the home of their son, W. R. Crook, and in the meantime several of the ladies went to his home and made ready for the guests. The floral decorations were confined entirely to wild flowers, while the house was lighted with candles in old-fashioned candlesticks.

Shortly after 8 o'clock the unsuspecting ones started for home and when they reached there, the surprise which greeted them was almost too much to bear. After a time, however, Uncle Jesse got his bearings and the most pleasant evening of his life was the result. The time was spent in pleasant reminiscence and singing old time songs, while Uncle Jesse told many of the experiences of his pioneer life.

At an opportune time, G. J. Crook, in a few remarks, started the penny shower. Each family was requested to bring a penny for each year of their host's life, and in the final summing up, it was found that Uncle Jesse had about all the pennies in town, there being 2,000 in the pile. The recipient tried to thank the guests, but was so overcome that the happy tears flowed and words were unnecessary.

A large table had been placed on the porch and a watermelon feast was much enjoyed.

It was indeed a pleaeant evening and one long to be remembered by the forty relatives present.

DIES IN MANILA

Prof. Z. O. Dean a Victim of Appendicitis

A cablegram received by relatives the first of the week announces the death of Prof. Z. O. Dean, which occurred in Manila on the 8th of September, the result of an operation for appendicitis.

Prof. Dean is well known in this county, having taught a year in Preston and was superintendent of the Rulo schools for two years. He also spent a great deal of time over the county in the interest of a school supply house. About four years ago, he with his wife and little daughter, went to the Philippines, where he has been employed as a teacher.

The death was doubly sad as the end came without his wife and daughter with him. They returned to this country about a year ago on account of the latter's health and had sailed about the first of August, for their home, but had not yet arrived at the time of his death. Deceased had many friends here who extend condolence to the bereaved ones.

Two Hundred Years Old

To celebrate the two hundredth anniversary of the founding of the Brethren church in Germany, a stereopticon lecture will be given at the Brethren church Sunday evening, showing people and places prominent in the church in America. The public is invited to the services at 7:30 p. m. A free-will offering will be taken to meet the expense of the entertainment.

ON THE DIAMOND

FALLS CITY MAKES FINE SHOWING DURING THE WEEK

Win Three Out of Four Games Played with Horton and Everest

HORTON-FALLS CITY

Those who witnessed the ball games in Hiawatha last week, say they were by far the best games played by our boys this season. Everyone played professional ball, and the large crowd that went over from this place were well repaid for their trip.

The following account of Thursday's game taken from the Hiawatha World, will show you how it happened:

"The Falls City base ball tossers came down Thursday afternoon and went out to the ball park. The Horton Star soon began to fall and at the end of the nine innings of hard base ball playing they were all down except Harry Page, who went around the horizon for a home run in the ninth, after it looked like a shut out. Foster, the first man up for Falls City, got a hit, but Poteet who followed, struck into a double, spoiling the chance to score. Parker, for Horton, did the beginning of the double get by quickly fielding to Chapple, who doubled to Page. In their half Horton popped up a little fly and Kelsey, the Irish pitcher for Falls City struck out two. Falls City did their stunt in the second when Sears got a life on Cobbs' error. Foehlinger put a liner down to first but Page gobbled it up. Hancock got a fielders choice and then swiped one with Foehlinger on third. Kelsey, the Irish slab artist, saw the pinch and sent a grounder down between short and second that sounded like the tearing of a mile of canvas. Two dents in the pan showed for the Brewers and that was all they needed. Kelsey was clearly the star for Falls City, striking out an even dozen Horton players and winning the game by his ground hit. Heck for Falls City made a wonderful catch, nabbing Parker, who was stealing second, thus keeping Horton from scoring in the seventh. Page's homer in the ninth was the saving feature of the game, scoring Horton's only run. Falls City.....0 2 0 0 0 0 0 2 Horton.....0 0 0 0 0 0 0 1 Batteries, Kelsey and Poteet; Barkley and Burke. Umpire, A. Hutchinson of Robinson."

Friday's game was equally as good, but our boys were a little stingy and did not allow Horton to even look at home plate. The score for the second game was 3 to 0. Horton had a fine bunch of players but were just a little out classed.

EVEREST-FALLS CITY

The game on Tuesday afternoon with Everest and Falls City as opponents, was about the worst mixture of good and bad ball playing our fans have witnessed in some time. Hancock pitched winning ball, striking out eight men and allowing but four hits. The twirler for Everest did not do nearly such good work but he had the support.

The first and second innings were good, but in the third Everest succeeded, through a bunch of errors and a home run, to score three men and there was nothing more doing until the seventh, when by another bunch of errors, mingled with a good display of boy play on the part of our boys, Everest added four more to their credit, making the score 7 to 0.

This stopped the fun for the visitors as our boys finally decided.

THEATER SEASON AT HAND

The Gehling Will Open on Thursday Night of Next Week

"Down Vermont Way" is the attraction secured by Manager Gehling for the opening of his popular play house on Thursday night of next week, September 24. The attraction is one of the best dramas touring this season and no doubt will be greeted by a large crowd.

The patrons of the Gehling will see on this opening night several changes, which the manager has made during the closed season, which will add much to the convenience of the house. While the building inspector, during his recent visit to the city pronounced the Gehling far above the average in point of safety in case of fire, still these few changes have been made in order to make it doubly secure and that none may feel in the least way timid about entering.

Mr. Gehling has many fine attractions booked for the season and our theater goers may look for a pleasant winter along this line.

BURKETT TO BE HERE

Taft Boom To Be Opened Here Thursday Evening

Senator Burkett will be with us next Thursday evening, September 24, and this will be your opportunity to hear the issues of the day discussed by one who knows. A rousing meeting is expected and it is hoped every voter in the county will hear Burkett on that night.

Ed. Jones Seriously Ill

Ed. Jones was seized with a sudden attack of appendicitis on Monday morning, and despite all efforts, continued to grow worse. Dr. Geiger, a noted physician from St. Joseph, was sent for, arriving Tuesday night and at once decided that an operation was necessary and the patient was taken Wednesday morning to St. Joseph, where he was placed in a hospital. An operation was performed that day but up to the time of going to press, we have not learned his condition. Ed's many friends here sincerely hope for a speedy recovery.

Putnam-Daniels

Chas. Putnam and Miss Cora Daniels of this city, quietly slipped away to Auburn last Wednesday, where they were married, thus surprising their many friends in this city.

Both young people are well known in this city. The groom is the son of W. H. Putnam, and is identified with the pop factory. The young couple will go to housekeeping in the north part of town for a short time, until a home can be prepared nearer his place of business.

The Tribune unites with many in extending congratulations.

Card of Thanks

We desire to express our heartfelt thanks, to friends, neighbors, lodge associates and others who so kindly assisted us, during the illness and death of our beloved mother, Caroline Lange.
