Stomach trouble would more quickly disappear if the idea of treating the cause rather than the effect, would come into practice. A tiny inside hidden nerve, said Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one of the kidneys. When these inside nerves fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to those failing nerves. Within 48 hours after starting the Restorative treatment patience say they realize a gain.

The "Price Killer" Wants Your Trade!

OUR Fall Opening was a big success and IN FACT IT WAS THE BIGGEST TWO-WEEK'S BUSINESS SINCE WE ARRIVED IN FALLS CITY. The values we offered were REAL bargains, as was shown by the liberal patronage of all visitors. Mr. Matthews is now in the big wholesale markets and he writes us that he is securing some of the greatest values he ever saw in Fall goods—Underwear, Ladies' and Men's Furnishing Goods, New Side Band Calico, and in fact every department in the entire house will be brightened up with new and snappy Winter merchandise—and at prices far less than the same goods could have been bought at wholesale thirty days ago. At this season of the year all jobbers and manufacturers are "cleaning-up" all surplus goods they may have on hand at from one-third to one-half less than regular price, and we feel ourselves very fortunate in securing these goods at the price we purchased them. These goods have already begun to come in and will continue to arrive daily for the next two weeks,
