

### FEEBLE OLD LADY

Has Strength Restored By  
Vinol

Mrs. Michael Bloom of Lewistown, Pa., who is 89 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.

## Women Work for Lincoln

Huge Humane Plant May Live Forever  
In His Name. \$93,000 Already Raised.

New York, Jan. 30. Solely through the efforts of a dozen earnest women, more than \$93,000 has since Christmas time been received toward making the Lincoln hospital and home in this city a perpetual monument to Abraham Lincoln on the hundredth anniversary of his birth. With more than four times that sum still to be added to the half million fund needed for this living memorial, these women managers of the institution are now hoping that their project will succeed. Relying on a ready response from the women of the land, as well as from each admirer of the martyred president and friend of the race he emancipated, they declared today that the measure of the country's offering should only be limited by the extent to which their simple story became known.

Forty four hundred white and colored patients have in the last year alone occupied the beds of this second largest hospital institution in Greater New York, the records show today, while almost a 150,000 days of expert treatment have been furnished free to poor and friendless members of both races alike. In the last ten years more than a million and a half days of free treatment have been given to the needy patients of this institution, which it is proposed to endow to Lincoln's memory.

Twenty-one young colored women, trained as nurses according to the best professional standards, are today leaving the Lincoln hospital and home to carry on their work in many sections of the country. From the training school of the institution at which these girls have just been graduated a hundred such negro nurses have in the last ten years been sent to give the profession and their own people throughout the country the benefit of their experience. With scores of these Lincoln graduates being spread over the country year after year, the medical authorities here believe great good will result in helping solve the problem of national health.

Many of the former patients and poorer friends of this work, which it is proposed to make live in Lincoln's name, have today volunteered to aid the New York women who have undertaken the direction of the national memorial movement. Graduate nurses working in the great winter resorts and among the colored people of the south are this week circulating dime coin cases to be filled, each with a dollar in silver, and returned to swell the half million dollar fund on Lincoln's Birthday. ### Headache?

If it does, you should try Dr. Miles' Anti-Pain Pills. Why not do so. They will relieve the pain in just a few minutes. Ask your druggist. There are 45,000 druggists in the U. S. Ask any of them. A package of 25 doses costs 25 cents. One tablet usually stops a headache. They relieve pain without leaving any disagreeable after-effects— isn't that what you want?

"My son Frank Snyder has used Dr. Miles' Anti-Pain Pills for a long time. He never had anything to help him so much for headache. A year ago he came home, and I was down sick with such a dreadful nervous headache. He gave me one of the Anti-Pain Pills, and after while I took another and was entirely relieved. I always keep them in the house now, and gave many away to others suffering with headache."

#### MARKET LETTER

From Our Regular Kansas City  
Stock Yard Correspondent

Kansas City Stock Yards, Feb. 1, 1909. Cattle receipts here last week were 34,000 head, lightest week this year, and other markets also lightly supplied. The storm came too late in the week to account for the small run, and the most plausible explanation seems to be that there is a general shortage of cattle on feed ready for market. This is borne out by the slim run today at all points. The market last week advanced 10 to 15 cents but the gain was granted under strong protest, and trade

lacked the vim and vigor that sellers like to see. Packers claim the price is too high for heavy consumption. The average price for beef steers on the markets for January was highest in twenty-five years, and 85 cents per cwt higher than the average January prices for the last ten years, figures which seem to bear out the contention of the packers. The run here today is 10,000 head, market unevenly higher, but nothing very choice in beef steers included. Topy steers have been selling at \$6.35 to \$6.65, and are higher today than any previous day this year. Bulk of steers sell at \$5.50 to \$6.35, cows at \$3 to \$5, heifers up to \$5.75, bulls \$3.25 to \$5, calves \$3.50 to \$6.50. Country buyers paid up to \$5.90 last week for heavy feeders, bulk of feeders at \$4.75 to \$5.40, stockers at \$3.75 to \$5.25. Prices on country grades were uneven last week but averaged steady, and are strong today. Stock cows and heifers were 10 to 20 higher last week, sales at \$2.50 to \$4.00.

The hog market made big gains late last week and the market is 5 to 15 higher today, although closing sales today were weaker. Receipts have been running 35 per cent below a year ago at the big markets since the first of the year, and although the late advance in prices precipitated a campaign of selling on the provisions market,

which caused the weakness today, demand for hogs has been urgent enough to keep the prices going up. Heavy hogs sold at \$5.40 to \$6.55 today, which was 10 cents higher than on Saturday, medium weights \$6.20 to \$6.50, lights \$5.85 to \$6.35, pigs \$4.75 to \$5.50. Average weight here for January was 202 pounds, same time a year ago, 216 pounds.

Sheep and lambs quit in the ruck last week, after making a brilliant start the first of the week. The run is 9000 head today, and the market opened 10 to 20 higher. Buyers orders were heavy and some late purchases today were extremely urgent, and at prices 25 to 40 cents above close of last week. Bulk of the lambs today brought \$7.50 to \$7.70, yearlings \$6.00 to \$6.50, wethers \$5.00 to

\$5.50, ewes \$4.65 to \$5.10. Feeding stock is in demand at strong prices, lambs at \$6 to \$7.
