The infant son of Mr. and Mrs. Steve Harmon, living in the south part of town died Tuesday of pneumonia. The little one was taken to Dawson for burial.

Thomas Randolph died at the home of his cousin, John Randolph in Rulo Thursday morning. On Wednesday he was enjoying his usual good health and took dinner with a neighbor, but that night he suffered a stroke of paralysis and lived only until the next morning. The funeral services were held at the home Friday and interment was made in the Rulo cemetery.

Mrs. Mary Overman died at the home of her daughter Mrs. Fraker at Stella Thursday, Feb. 4, after a long illness.

She was born in Clark county, Indiana, May 10, 1819, in which county she grew to womanhood. On December 3, 1845, she was married to J. L. Overman and to this union four children were born.

In 1852 she moved to Nemaha county, Neb., living at St. Deroin until the war broke out. The husband going to the army took his family to St. Joe, Mo. The next 10 years of her life was spent in Missouri and Kansas, removing to Nebraska in 1873, to this place where she resided until death came. In her early girlhood she united with the church and has been a life member.

The funeral services were held in the Christian church Saturday at 10:30 a. m. The remains were taken to the Stella cemetery.

Mrs. James Kelley died at the home of her mother, Mrs. Adams in Salem Wednesday morning. She had gone to Salem to see a sister who had been real sick, and while there Mrs. Kelley was taken suddenly ill and when physicians arrived they knew she could not recover. She had been a sufferer from gall stones for many years, and Drs. Green and Geiger of St. Joe were called to perform an operation but when they arrived it was too late to lend any assistance.

Chief of Police Marts was immediately notified and the man was soon under arrest. He was taken before Police Judge Spragins and fined \$50 and cost. Being unable to pay it he was taken to the county jail, to lay out the fine.

Change of Firm

This week the Hermes Bros. poultry business was sold and hereafter will be under the name of P. B. Hermes. For many years Mr. Hermes was in business alone but a few years ago, he took his brothers in with him, and again this week he informs us he is the sole proprietor of that institution. Phil is an industrious and energetic young man and we are glad to know he will still be identified with our business men.

JOHN FRANCIS MCKIEVER

Died at His Home in this City Sunday Morning

Again this week it has been proven to us that "In the midst of life we are in the midst of death." God in his infinite wisdom sent the death angel to this city and took with it one of our most highly respected young men.

After only one short week of illness John Francis McKiever died at his home in this city. He suffered an attack of appendicitis and was thought to be much better, in fact was better and was able to be up but on Saturday afternoon he grew suddenly worse and it was found absolutely necessary to perform an operation. The operation was performed late Saturday night and Sunday morning, Feb. 7, about 8 o'clock this young man drifted into the great beyond.

The deceased was the son of Mr. and Mrs. Edward McKiever and was born at Petersburg, Canada, a little more than 27 years ago. He came to this city when quite young and this has since been his home. He was a painter by trade, and was an artist in his line.

In the very prime of life, with all the hopes and promises of this world before him, he was so suddenly taken from his home and his father and mother and all those near and dear to him. All that mortal hands could do was done but Jack only found relief from his suffering in death.

He leaves a father, mother, three sisters and four brothers, beside a host of friends to mourn his untimely death. The funeral services were held from the Catholic church, Tuesday morning at 9 o'clock.

A HUSTLER ALRIGHT

Improvements Are Being Made at the Business College

Prof. J. Carl Leister has equipped his college with new No. 10 Remington visible typewriters, the latest invention in the typewriter line; also with a No. 6 Neostyle, the most modern machine for reproducing typewritten copies. This makes the stenographic department strictly up to date in every respect and a great deal more complete than in many colleges.

Mr. Leister has spared no pains or expense to make the Business College the best in this part of the state. The people of Falls City and vicinity should feel proud of this school and lend every influence to make it a success.

FACTORY TALK

COMMERCIAL CLUB MEETS AND TALKS MATTER OVER

Mr. Cope of Nelson Visited This City Saturday and May Open a Glove Factory Here

Mr. Cope of Nelson, a glove and mitten manufacturer, came to this city Saturday with a view of opening up a factory and locating here. He went to the office of Supt. T.J. Oliver and in company with him met several members of the Commercial Club and arranged for a meeting that night.

The club met with Mr. Cope that evening at Wirth & Winterbottom's hardware store and talked over the situation for the location of such a factory.

Railroad rates were presented to him. We have Missouri river freight rates that cannot be secured by other towns, and that for one thing was an inducement. He did not ask the Club for a bonus all he asked was that he could secure from 40 to 60 women and girls to help him in his work. The club as an inducement offered to furnish him upstairs rooms for his factory for one year free of charge. They also agreed to canvass the town and find out whether or not they would be able to secure the help and let him know at an early date.

Until the power is put in, the women and girls will be allowed to take their work home with them and work there. He says at first they may not make more than 50 cents per day but in a few weeks they will be able to earn from \$1 to \$1.50 per day, owing to the length of time they work and the amount they can accomplish.

Mr. Cope says the outlook is good and he was favorably impressed with the city and the business men he met. The Commercial Club did what they did to persuade him to establish the factory here instead of Fairbury.

We hope the women and girls will be interested in this work and will offer their service that the factory may be located here.

Card of Thanks

We desire to thank the many friends who so kindly assisted us during our recent bereavement, and for the beautiful floral tributes. MRS. ELIZABETH LEISTER, MRS. H. L. DARNER, J. CARL LEISTER, HENRY LEISTER.

GAME AT PERU

Falls City Girls Went to Peru Friday Afternoon

The girls basket ball team went to Peru Friday to play a return game with that team which in the previous game at this place had been defeated. Principal Hurst had requested that the second game be a strictly "line game," but Peru refused to play such game. It was finally agreed after our girls reached Peru to play the game half one way and half the other. The first half was to suit Peru which was open field which resulted in a score of 17 to 7 in their favor. When our girls called for line in the second half Peru refused to play, and they did not finish the game.

At the Gehling

A good troop played "Magda" at the Gehling Thursday night. The leading lady, Hortense Neilsen, was far better than the average. The crowd was not as large as it should have been, but owing to the fact that there was only a few days to advertise, after it was billed, the house was good. Manager Gehling informs us this same troop will appear at the Gehling again before the season closes in an entirely different play. We feel sure every one present was more than pleased Thursday night.

Tom L. Davies has sold his jewelry and music store at Auburn to C. A. Scamman of that city. Mr. and Mrs. Davies will return to this city where they will make their home.

BARN BURNED

James H. Pecht Loses Wood Saw in the Fire

About 2 o'clock Saturday morning our citizens were awakened by the ringing of the fire bell, and upon reaching the scene of the fire discovered the barn of James H. Pecht to be ablaze. A large crowd arrived and all that could be done but Mr. Pecht was a heavy loser. He lost his wood saw, feed, and hay but was fortunate enough to save his horses.

Prof. Hurst Ill

While Prof. E. K. Hurst was returning from Peru, where they played basket ball last Friday evening, he was taken suddenly ill. He grew steadily worse and on Sunday it was decided by local physicians that an operation would be necessary. So on Monday he was operated on for appendicitis.

At this writing he is better, and we are glad to report that physicians say he will speedily recover.
