Evangelistic Meetings

There are evangelists and evangelists. Just as there ministers and ministers. The less there is in a ministeric the more he has to force himself upon public notice and bring all the clippings which will give the world to know how wonderful man he is. Evangelist Miller is like no other evangelist of which we have knowledge. He conducts his meetings differently. Twenty-eight years ago Mr. Moody secured Mr. Miller to lead the singing in his great tabernacle. For some years he was singing evangelist with Mr. Potter. For nine years he has been evangelizing alone. I announced Mr. Miller to my congregation.

After hearing him they now say I did not represent his ability both as a singer and an evangelist up to his ability, I knew Mr. Miller so well I knew he would not like any exaggerated statement concerning himself. It will be a long time before you will have the opportunity to hear another so great singer. He sings the gospel and his evangelistic work is equally effecting. The meetings began Monday night in the Methodist church and will continue every night and Sunday. It will give the church pleasure if the pastors and members of the city churches will cooperate to bring about a genuine work of force. Any one who will obey the gospel and accept Jesus will be given the privilege of choosing the church in which they will make their church home. All come and worship with us.
