Robbery on a Train

Etta Scott of Falls City, was on the early Wednesday morning southbound Missouri Pacific train and in some unexplained manner a young man robbed her of her pocketbook, took \$16 therefrom and dropped the pocketbook to the floor. A telephone message called up Night Marshal Zeiber who was on hands when the train arrived and accosting the young man as to where he hailed from the fellow admitted coming from Falls City, but he said he drove over and Zeiber allowed him to go the Delmonico for breakfast, while he telephoned the livery stables to inquire if any team had come in. On going back to the Delmonico he found that his man had escaped by the back door.—Hiawatha World.

Not For Humboldt

According to the Lincoln Trade Review the chances for Humboldt securing the new institution have gone glimmering. The Review says: "The State Odd Fellows Home for aged and decrepit members of that order and their orphan children will beyond question be located a few miles east of Havelock. The committee having the site in charge have expressed a preference for the east Havelock site and it is understood nothing remains but the arranging of a few minor details before the final closing of the matter."

Hurt at Humboldt

While handling a 22 calibre revolver, which he supposed was empty, Henry Cooper, son of Mr. and Mrs. Will Cooper, managed to discharge the weapon on Saturday, the bullet passing through the fleshy part of his left hand, just grazing the edge of the bone. No serious results are anticipated from the wound unless complications ensue.—Humboldt Leader.

Right He Is

There is a farmer near Shubert, Neb., who is mighty tired of having his farm tramped over by hunters. A few days ago he set to work to compose a notice on a couple of barrel staves, and nailed them to a tree, where they conveyed to the world the following startling information: "Notis—Trespassers will be prosecuted to the full extent of 2 mongrel dogs which aint never bin overly soshubel to strangers and one dubbel-barl shot gun which aint loaded with soft-pillers; dam if I aint gettin tired of this hell-raising on my property."—Hiawatha World.
