Various Kinds of Entertainment by Individuals, Lodges, Clubs, Churches, Etc.

Mrs. L. C. Mauger entertained a few of her lady friends at her home Monday afternoon.

Rev. and Mrs. Reichel entertained their Sunday school classes at their home Thursday evening. All present report a pleasant time.

On Wednesday evening Prof. Hurst and Miss Hand accompanied by the members of the senior class enjoyed a real "bob" sled ride.

Wm. Hahn was the victim of a very pleasant surprise at his home east of town Tuesday evening. About 50 neighbors and friends were present.

The members of the Baptist church surprised their pastor and his wife Friday evening. It was in the form of a pound party. A very pleasant evening was spent.

The members of the Brethren church gave a surprise for Mr. and Mrs. Teeter in the form of a pound social on Monday. A great many were present and enjoyed a pleasant evening.

The members of the Christian Endeavor Society of the Christian church met at the home of Miss Hazel White Thursday evening. A very pleasant evening was reported by those present.

Members of the K. & L. of S. surprised James Nausler at his home Saturday night, the event being his 65th birthday. A nice rocking chair was left as a token of their esteem. Fine refreshments were served.

On Friday evening Mrs. Geo. Holt planned a birthday party for her sister, Miss Gertrude Gossett. A number of her friends were invited. Games and music made the evening a pleasant one. Gertrude was presented with a beautiful souvenir spoon.

Sixteen members of the Royal Neighbors lodge went to Salem Saturday evening to attend the initiation services. Nineteen candidates were initiated. Miss Remnant of Lincoln assisted the deputy. After lodge a 3-course lunch was served. They returned at late hour but report a very pleasant evening.

On Wednesday of this week Mrs. Daisy Randolph conceived and managed a surprise party for her mother, Mrs. J. C. Stump, it being her birthday. A number of friends and neighbors met at the former's home at 2 o'clock and proceeded to the home of Mrs. Stump, where an enjoyable afternoon was spent. A lovely two course luncheon was served.

At the close of lodge Thursday evening the members of the Degree of Honor and a few friends enjoyed a social time. It was complimentary to Mrs. C. W. Breithaupt who left this week for her new home in Kansas City. Mrs. C. M. Wilson in behalf of the lodge presented her with a beautiful souvenir spoon. Mrs. Breithaupt rendered several musical selections. Ice cream and cake were served.

Mesdames F. A. Kellar and Burton Reavis entertained the members of the Young Married Ladies' Kensington club and their husbands at the home of the latter, last Friday evening. The evening was spent in playing progressive hearts and whist, and proved a very enjoyable one to those in attendance. A nice lunch daintily served was a feature of the evening. This occasion was

in the nature of a farewell party, as the Kensington club has disbanded for several months.

The Presbyterian young people held a "measuring party" at the home of Mr. and Mrs. Zubrick Friday evening. The evening was spent in games and music. The novel part of the entertainment was the measuring to find out what it would cost each one present, the charges being one-fourth a cent for each inch high. A large crowd was present and about \$9 were realized, it was also a grand success socially.

Mr. and Mrs. B. I. Reavis royally entertained the Tournament Whist Club with a few additional guests on Monday evening. This organization has flourished for several winters but has had no regular meetings this season, so the evening was especially enjoyed by the old timers. After a late hour Mr. and Mrs. D. D. Reavis were found to be the winners by a high score with Mr. and Mrs. Harry Jenne a close second. Elegant refreshments completed a thoroughly pleasant occasion.

Wednesday afternoon Sorosis met with Mrs. T. L. Himmelfreich as hostess. Mrs. Ewalt gave a very interesting description of her trip to Galveston, Texas. An original poem "The Stepping Stone" was read by Mrs. A. E. Hill. The ladies of the club discussed health, reform and sanitary conditions of our city. A union depot was a subject of discussion. Refreshments were served during the social half-hour. Club adjourned to meet with Mrs. Jaquet, March 24. Patrons Day Friday, March 12

The second annual visitation and patrons day of the Falls City public schools will be held Friday, March 12, in the forenoon, afternoon and evening. In the school buildings there will be an exhibit of the work of the pupils, in which all the patrons of the school will be greatly interested. In the evening at the Methodist church an interesting program will be rendered. This will consist of music, addresses and a demonstration with the wireless telegraph instrument owned by the school.

Landmark Torn Down

An old landmark disappeared this week when the old building east of the Star livery barn was torn down. This building once served as the Richardson county court house.

Charles Loree says it is also sacred to his memory by the fact that forty-two years ago he attended Sunday school in that building. Work will begin at once on a large brick building which will be erected on that corner and used for an automobile garage.

Seriously Injured

Joseph Glasser of Humboldt was seriously injured Sunday by being kicked in the head by a fractious horse. His life has been despaired of. Mr. Glasser is well known in this city and for many years one of the county commissioners. His son Percy, who recently left for the Frazier river valley in British Columbia has been telegraphed for.

Osteopathy

After an absence of several weeks I have returned and will be pleased to meet at my office over the State Bank any one wishing to take treatment or investigate the merits of Osteopathy.

PROF. STEPHENS COMING

LECTURE ON MANUAL TRAINING IN PUBLIC SCHOOLS

Will Lecture at the Court House in this City Some Time This Month

The members of the Federation of Women's Club of the city are arranging for a lecture to be held at the court house sometime the last of March. They have secured Supt. Stephens of Lincoln, who will address the people of Falls City on the subject of Manual Training in the Public Schools. He will bring a fine exhibit of the work done by the pupils of the Lincoln City schools, which will be of interest to everybody.

Mr. Stephens is a man of strong and pleasing personality, as well as one of the most able speakers in educational circles in this state or in any state. Everybody, whether or not interested in the subject of manual training, will be delighted with his lecture.

Schools in the smaller cities are now rapidly putting in courses of manual training, and every intelligent citizen should know about this new phase of work which is transforming the whole course of study in the schools of the country, and giving new life and interest to the work done by the pupils of the public schools.

A small admission fee of 10c will be charged to defray the expenses of the lecturer.

Watch for date in next week's paper.

Slowly Improving

Mrs. Charles Foehlinger took suddenly ill on Monday of last week and Dr. Boose was called. On Wednesday morning her condition became alarming and Dr. Houston was called in consultation, when it was decided that it would be necessary for an immediate operation. The operation was performed by Dr. Boose assisted by Dr. Houston and Dr. Reneker administered the chloroform. At this writing we are glad to report that she is getting along nicely and is on the road to recovery.

Court Proceedings

The latter part of last week the case of the C. B. & O. R. R. vs. Drainage District No. 1 was tried. Verdict fixing the assessment at \$8,800. Motion for a trial was filed. Court then adjourned to meet Thursday, March 11. Yesterday Judge Raper listened to the testimony in the case of Spragins vs. Judy, an action on a note. The jury will return the 29th of this month.

The E. E. James poultry business this week changes to James & Hermes, John Hermes who sold his interest in the Hermes Bros. poultry business a few weeks ago, bought a half interest of E. E. James and will hereafter be identified with that produce house. Mr. Hermes is a good business man and we are glad to know he will remain in the city with us.

SEVERAL COUPLES MARRIED

WEDDINGS THAT WILL INTEREST OUR READERS

Richardson County Young People Married in Nebraska, Kansas and Colorado

At the county judge's office on Monday, Susie Fortner and U. W. Sailors of Barada, were united in marriage by Judge Gaguon. The bride and groom are among Barada's most respected young people. They will make their home on a farm near that place.

Lawrence Christian of this city and Miss Mary Anderson of Leadville, Col., were married at the bride's home several days ago. On Sunday the groom surprised his many friends in this city by returning home with a lady and introduced her as his wife. We extend congratulations. Lawrence has lived in this city most of his life and is respected by all who know him.

On Tuesday evening, March 2, occurred the wedding of Miss Ethelinda Meyers to Elbert Flora and Miss Jane Jones to Ivan Keller, at the homes of the bride's parents. Precisely at 7 o'clock the young couples entered the parlor where the ceremony was performed by Rev. Eisenbise, in the presence of a number of relatives and friends. After the ceremony was performed the guests retired to the dining room, where a sumptuous 4-course dinner was served. The brides are among our most popular young ladies and will be greatly missed in the church where they always took an active part, as well as among the social circles of the town. They will spend some time visiting relatives and will be at home to their friends at Falls City, Neb., and Quinter, Kans. The News joins with their many friends in wishing them a happy and prosperous journey through life.—Morrill News.

At Hospital in St. Joseph

Tracy Laforge who has been employed at Gehling's bakery for some time, met with a painful accident one day last week. He was trying to cut a rivet when a piece flew in his eye. He immediately went to Dr. Reneker who advised him to go to St. Joe. At first it was thought he would lose his eye sight, but he is doing nicely now and it is thought that he can return home in about two weeks.

Bound Over to District Court

The case of the State of Nebraska vs. Jesse Smith was tried before Judge Spragins on Monday, and he was bound over to the district court. The bond was fixed at \$500. Among the Verdon people who attended the trial was Norman and Charles Weaver, M. D. Croll, Henry Corn and Mesdames Parsons and Allenbaugh.

They Can Vote Now

Some of the women were sadly disappointed when their votes were refused Tuesday, but under the old law they are only allowed a vote when officers are to be elected or bonds voted. The new commission law which went into effect March 1, allows them a vote and also to hold office in the city.—Hiawatha World.

Met at M. W. A. Hall

The Anti-Horse Thief association met at the M. W. A. hall in city Monday. There was a good attendance and the meeting was a successful one. Officers were elected and much other important business transacted. They adjourned to meet on Monday, May 31.

A CORRECTION

Women are Discouraged Over the Lack of Interest

To The Tribune—An erroneous idea was given by a local paper last week concerning the amount realized on the Clark recital. The paper stated that \$100 was collected by the club women and that this sum amply covered the necessary expense of the entertainment. The fact is, only \$71 was realized by the promoters of this splendid literary treat, and this after long and untiring effort. Had it not been for the fact that a considerable amount was in the club treasury from one of last season's entertainments the women would have faced a deficit. Many of the club members justly feel discouraged over the lack of interest displayed by many prominent Falls City business men in literary and musical features of unquestioned merit. Members of the commercial club are constantly urging citizens to make every effort to build up the town. That is creditable, but are our commercial features everything? Shall we stop there? Shall we base everything on dollars and cents? Falls City and many of her well to do people have done this to a harmful extent and she should awaken to her error.

DIED AT STELLA

An Old Pioneer Died at His Home Wednesday

David Jackson Pugh, after an illness covering a period of many months, died at his home in Stella Wednesday. Mr. Pugh was born in Virginia, April 30, 1828, and came to Nebraska and located on a farm near Stella, in 1889, where he has since lived until he moved to Stella. Mr. Pugh was a good man, a good neighbor and a good citizen.

Mr. Pugh leaves an aged wife and six children, besides a number of grandchildren, to mourn his demise. For many years the deceased has been a faithful worker in the Lutheran church at that place. The funeral was held from that church Thursday afternoon and the remains taken to Prairie Union cemetery.

Citizens Convention

The voters of the city of Falls City, Neb., are requested to meet in convention at the court house in said city, on Monday evening, March 15, 1909, at 8 p. m., for the purpose of placing in nomination candidates for mayor, councilmen and such other officers as are required by law to be elected, at the annual municipal election, to be held on the 6th day of April, 1909. MANY CITIZENS.

Notwithstanding the gloomy weather of last Sabbath a splendid audience was present to hear the discussion of the question "Who is God?" The music at each service is a feature that helps the devotional spirit and pleases the musical taste as well. The work of canvassing the membership for funds for the new church building goes steadily on with gratifying results. New music for each service, and the warm hand shake will always greet you at our little church. The third question for discussion of great themes is "What is the law of God? or what makes man a sinner?" In the evening the sermon will cover the question that is in many minds, "Is there any hope of salvation after death?" We shall be looking for you, will you be there?
